

Assembly Instructions

Parts List	Quantity
Table Top	1
Table Leg	4
Bolt	12
Spring Washer	12
Flat Washer	12

ASSEMBLY

We suggest you assemble this item on a soft surface to protect the finish. Two people are required for this assembly.

Step 1. Place the tabletop face down on a soft flat surface. Attach the legs to the top using 12 Bolts, spring and flat washers. Ensure the spring washer is fitted between the flat washer and the bolt head. Finger-tighten only.

Step 2. When all the bolts and washers are in place, carefully tighten all bolts, but DO NOT over tighten. Tighten the bolts in a diagonally opposite order.

Step 3. Using 2 people, turn over the assembled table.

Caution:

This unit is manufactured of cast aluminum parts and is brittle. DO NOT force any part of the assembly and DO NOT over-tighten the bolts. This could result in serious damage.
