FEATURES AND BENEFITS

Wall-Mount Design: This chimney-style range hood is designed to install seamlessly into custom-built cabinetry set-ups by mounting directly to the wall above your cooktop.
Stainless Steel Finish: A brushed 430-grade stainless steel exterior finish contains rust- and corrosion-resistant properties to ensure a durable range hood that will last for years to come.
Convertible Range Hood: This unit can be externally vented or recirculated (ductless) with charcoal filters (not included, model number CF1) to reduce harmful odors.
Powerful Ventilation: The highest speed setting of 400 CFM airflow efficiently moves large amounts of grease, smoke, and odor-filled air away from your cooking area.
Intuitive Control Panel: Easy-to-use push-button controls let you easily adjust 4 different fan speeds, lighting options, and an automatic shut-off timer.
Adjustable LED Lighting: Dual energy-efficient, directionally adjustable LED lights feature 2 brightness settings to illuminate your cooking surface.
Standard Ductwork: ZLINE range hoods are designed to fit standard (circular) ductwork for simple installation; this hood includes a transition piece for 6 in. diameter ducting.

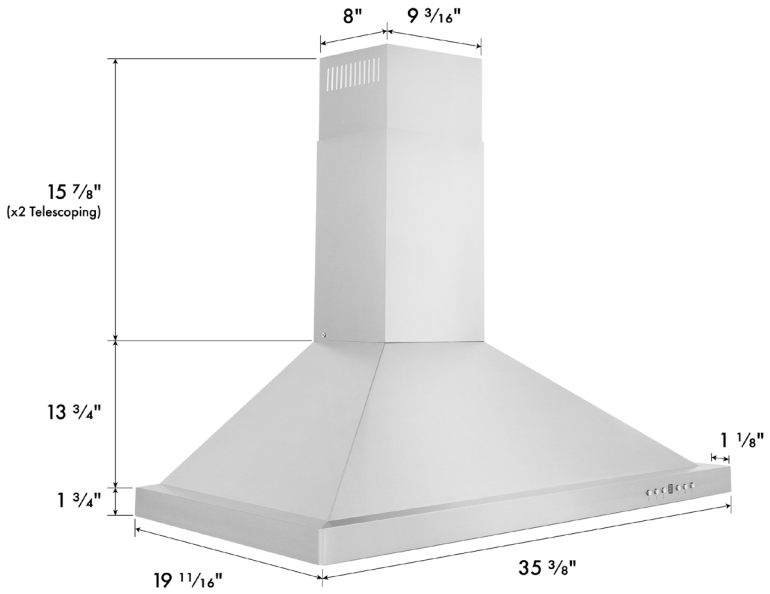

WARRANTY

Manufacturing Warranty:
3-year parts only. Limited Lifetime on the motor
**Appliance protection plans sold separately, contact for more information.*
