Base Type: E14

Light Source Included: No

Voltage: 220VAC

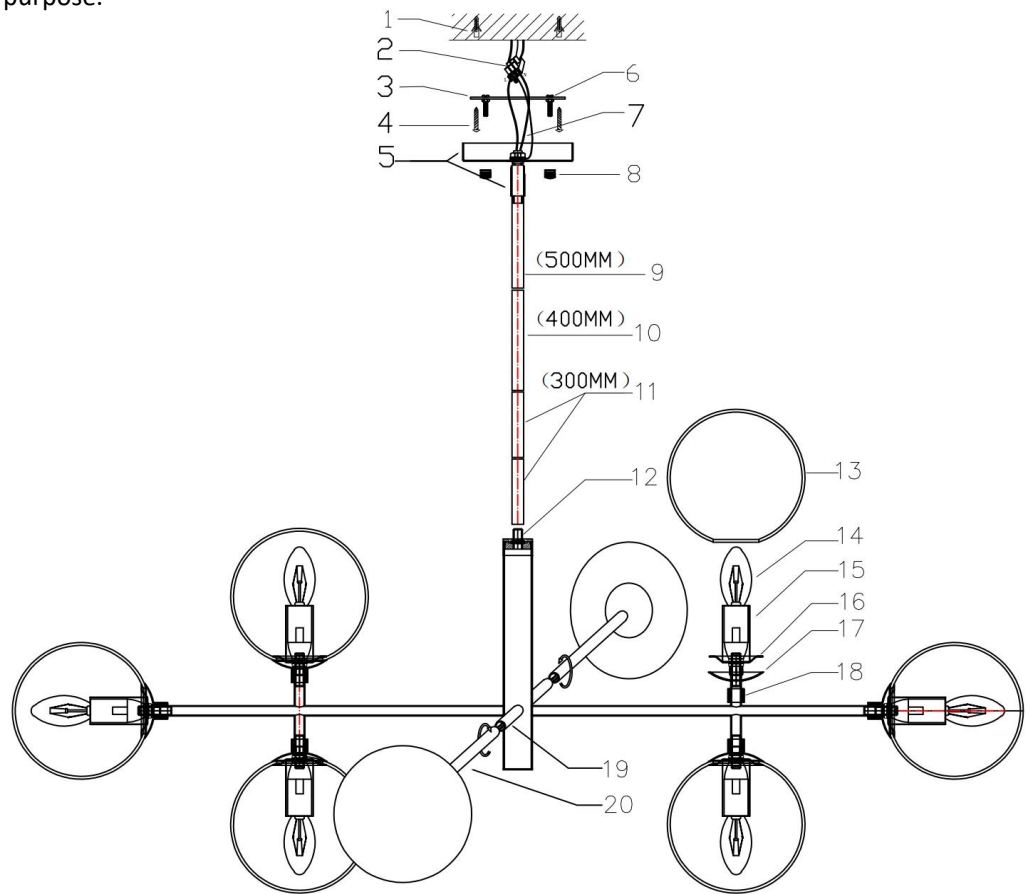

Wattage: 25W

Package includes

1 x Chandelier Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

A: Screw the rods (20) on both sides of the lamp body counterclockwise for five or six turns, then tighten them onto the rod of the lamp body (19).

B: Pass the main wire on the lamp body (7) through the hanging rods (11, 10, 9) and canopy (5), and tighten them onto the thread (12).

C: Drill a hole in the ceiling, then put the plastic wall plugs (1) into the hole. Fix the backplate (3) to the ceiling with self-tapping screws(4).

D: Connect the live wire of the main wire (7) to the live wire, the neutral wire of the main wire (7) to the neutral wire, and the ground wire to the ground wire by using the barrier strip terminal block (2). Be careful not to expose the wire to prevent leakage.

E: Pass the canopy (5) through the screw (6) and secure it with the cap nuts (8).

F: Screw the light source (14) (not included) into the lamp socket (15), then insert the glass shade (13) into the notched metal piece (16). Finally, secure the lamp socket plate (17) with the cylindrical metal part (18) to fix the glass shade (13).

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
