Assembly instructions

006E Your chair comes packaged in 1 box.

Carefully remove all of components from the packaging and set aside for assembly.

Before Beginning

1 - Carefully unpack and position the item on a clean, non-marring surface to assemble.

2 - Read this Assembly instruction from beginning to end before starting to assemble.

3 - Take an inventory of the required parts to ensure all are available.

4 - To prevent accidental choking hazards, keep all packing materials away from small children.

5 - Only tighten hardware until ALL hardware are fully engaged on their locations. Overtighten bolts will damage the bolt threads.

6 - Use only factory provided hardware to assemble. Unapproved hardware can damage product or jeopardize the structural integrity of the product.

7 - The use of power tool to assemble is not recommended due to high risk of over-torque, which can damage the product.
