Safety Instructions

Thank You For Choosing Our Product

Before assembly, please read this USER MANUAL first, and check according to Parts List to make sure all parts are included. Feel free to contact us if you have any concerns or questions about your product, we are always ready to help. Your satisfaction is our first priority!

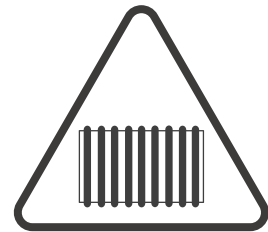

Precautions

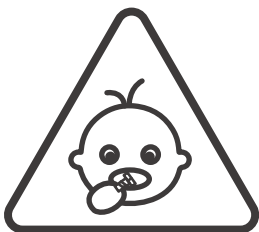

- Avoid long-term direct sunlight exposure.

- Keep away from sharp objects.

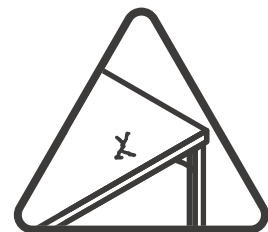

- Keep away from heat.

- Keep infants/children away from assembly parts to avoid choking and suffocation.

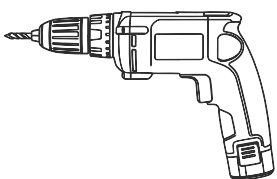

- Keep away from corrosive substances.

- Pay attention to avoid over-tightening fasteners, or they may induce cracking within the board.

Helpful Tips

Drill Setting Guide

For easier installation, we recommend using a power drill; please set it to low speed gear 1 and adjust the torque to 4–10 to avoid excessive torque that may cause screw stripping and panel cracking.

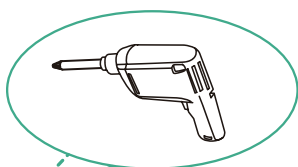

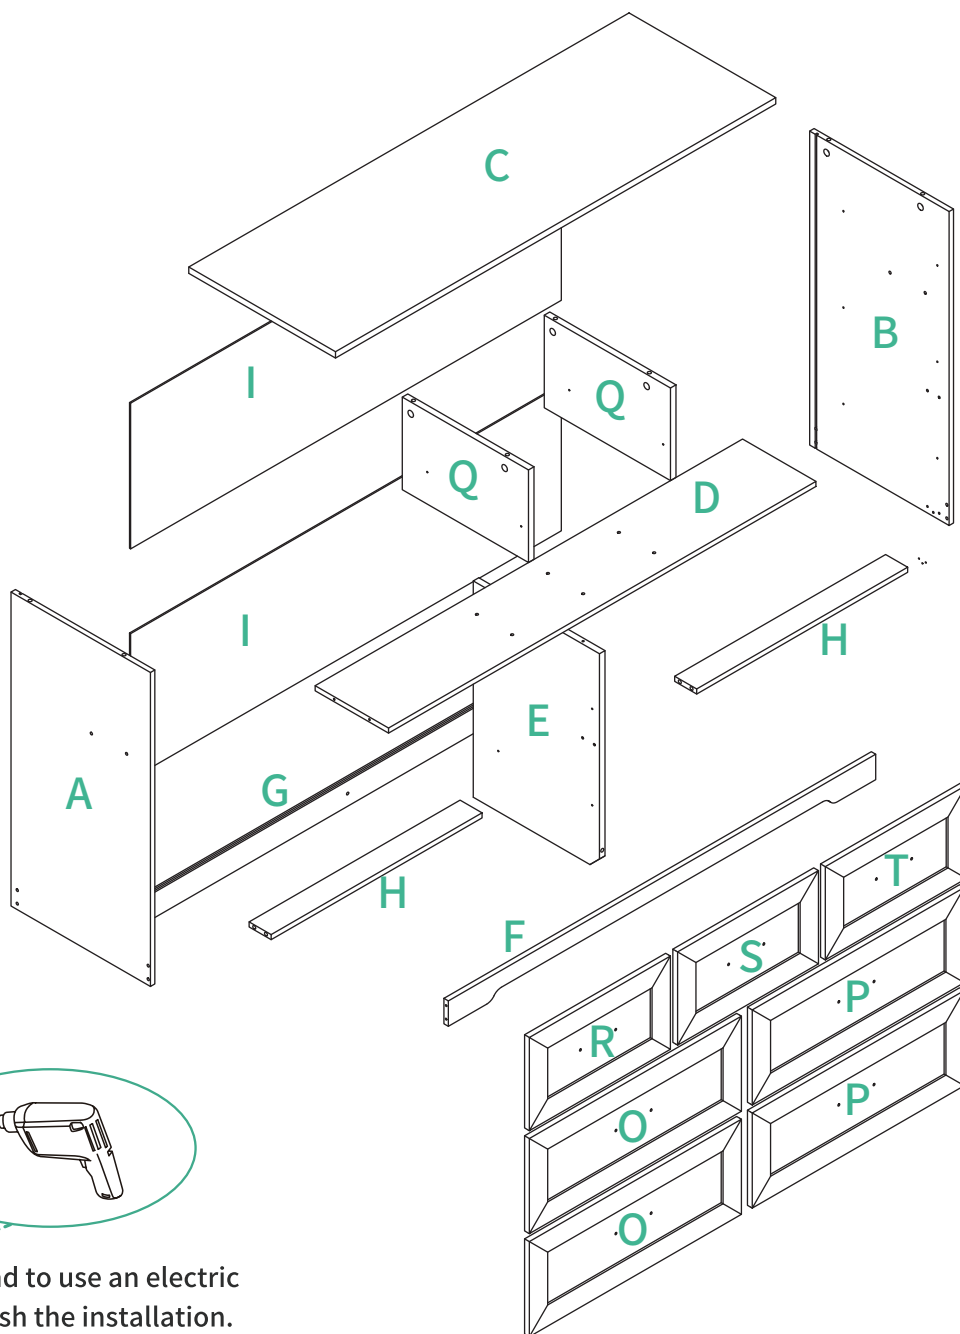

Speed 1
(low speed)

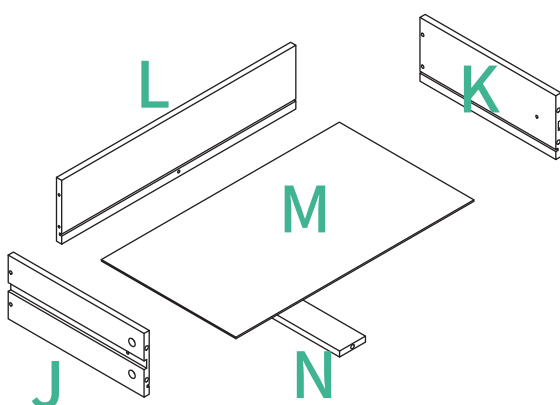

Set Torque to 4–10

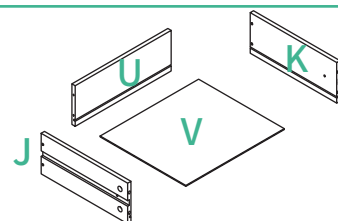

Disassembly Diagram

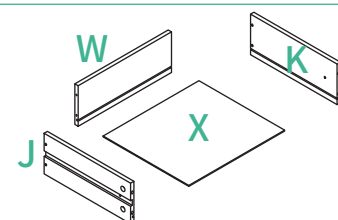

Recommend to use an electric drill to finish the installation.

Install the seven drawers in the order shown in the enlarged picture.

1. Pull the slide rail to the maximum position.

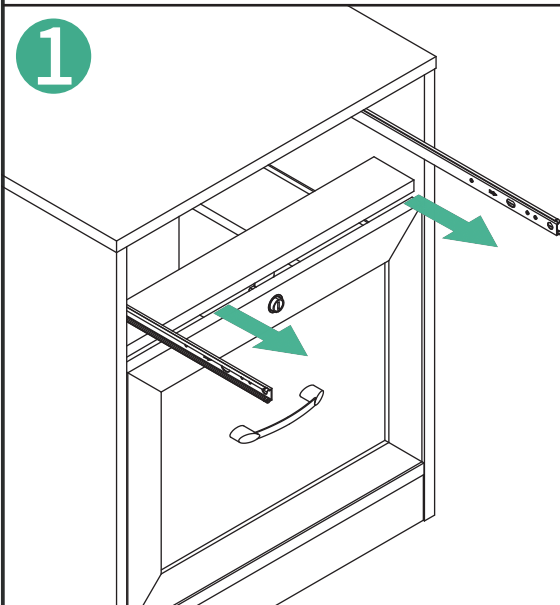

2. Align the drawer groove with the slide rail, then push it in.

3. If the slide rail is not fully inserted in the slot, use tool to push it completely into the slot.

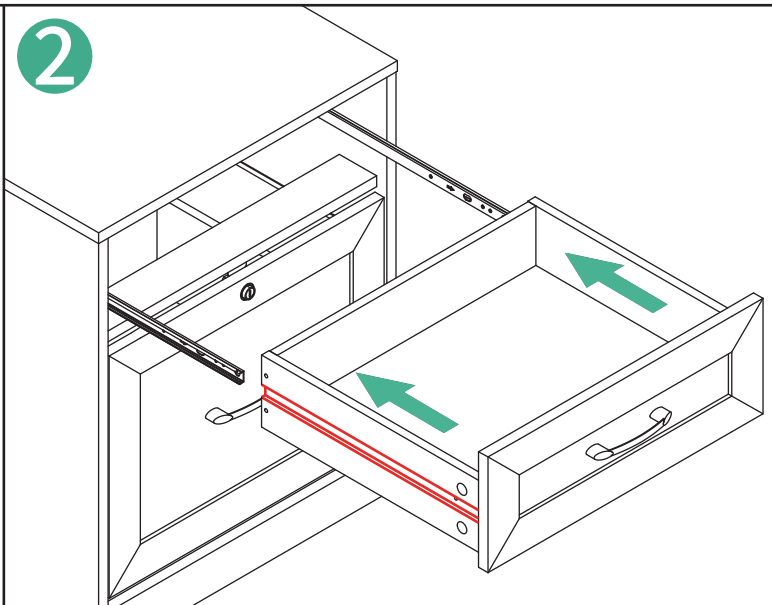

4. Finally, press the guide rail with hand, secure the drawer and slide rail with screw ⑩.

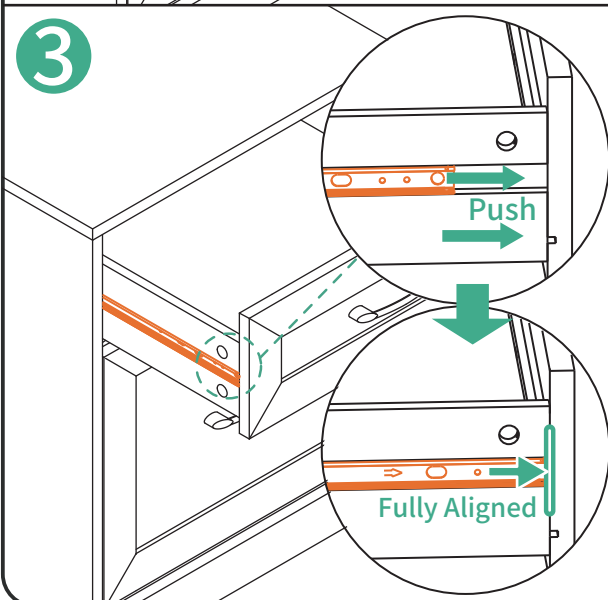

1

2

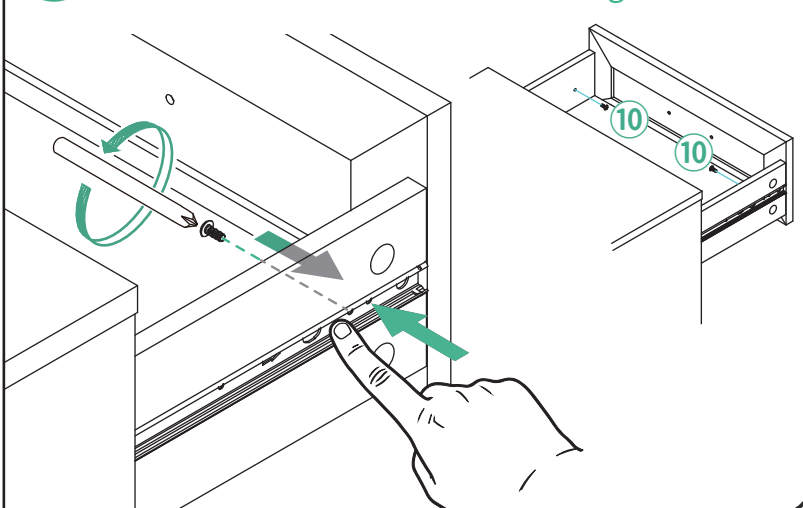

3

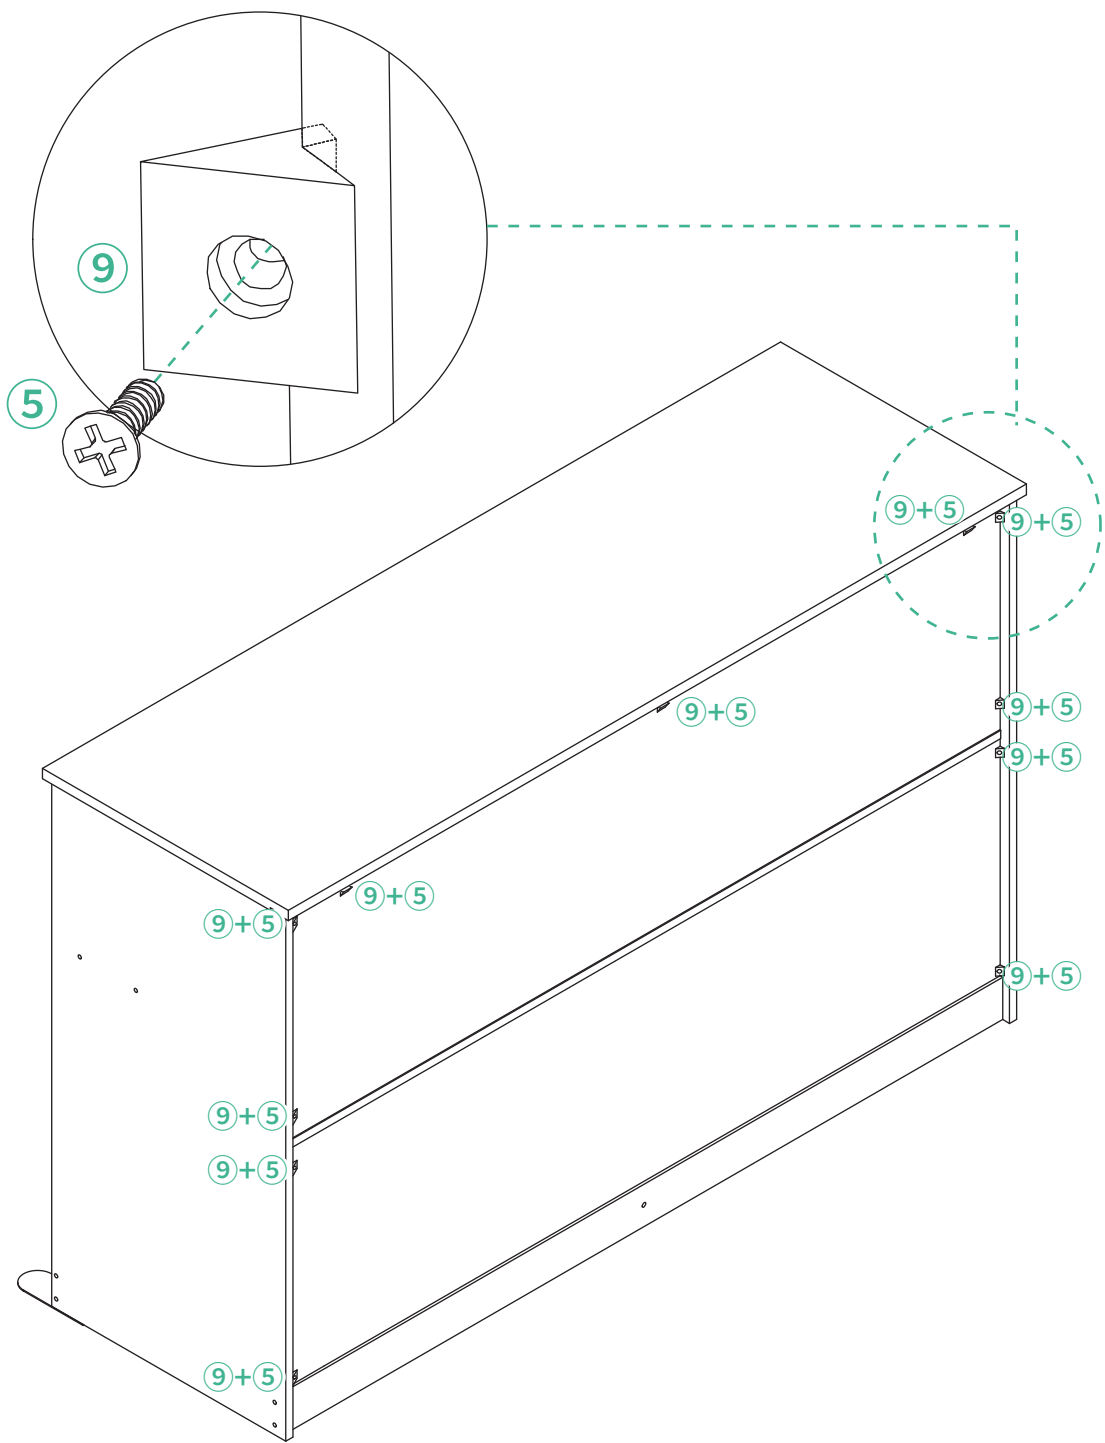

4

Keep applying firm pressure to the rail in the direction of the arrow while driving the screw.

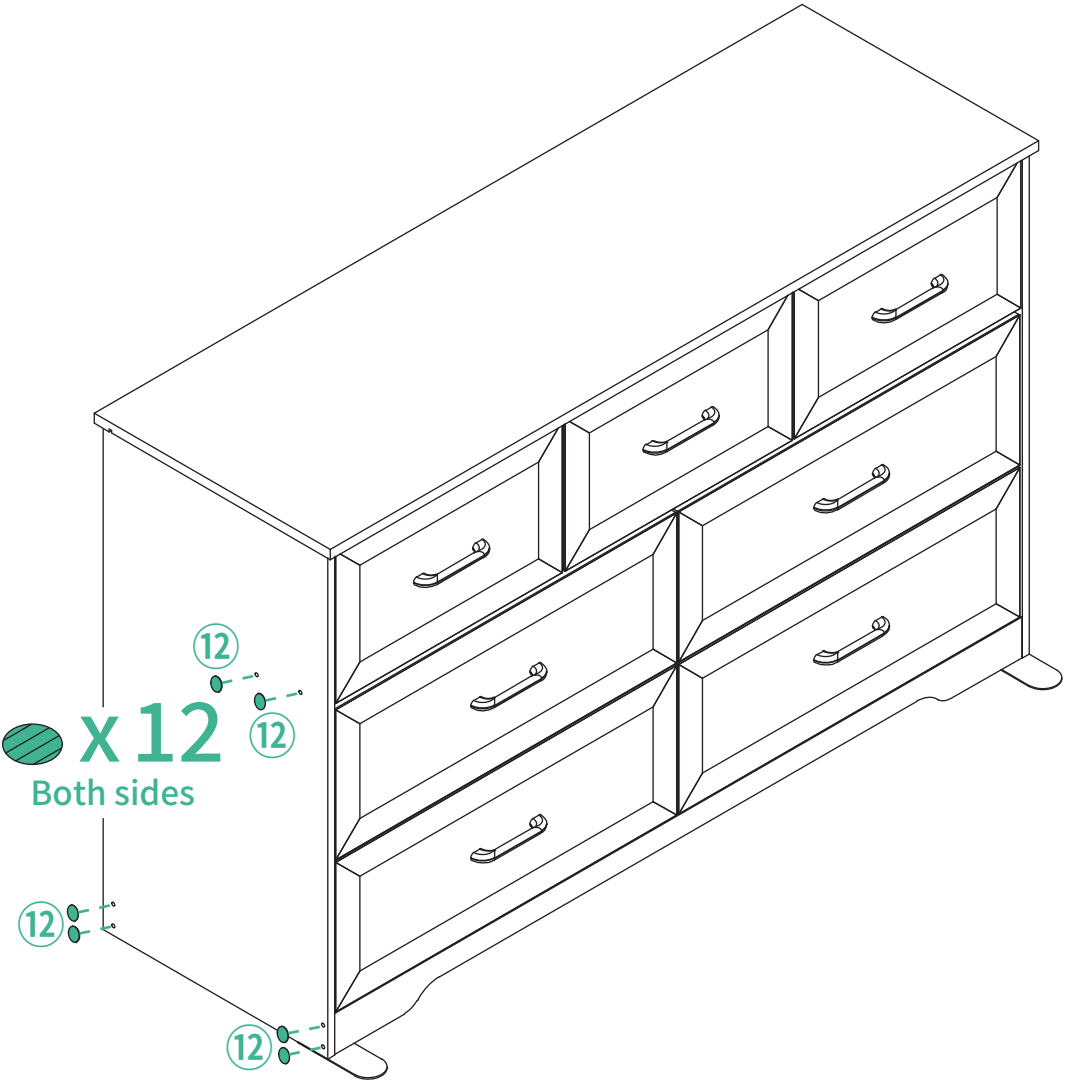

26

Attach the back panel fasteners ⑨ with screws ⑤.

27

Cover the screw holes.

30 DAY Return Policy

If you're not completely satisfied with your purchase, please return the merchandise via our Official Customer Support. Unused merchandise can be refunded or exchanged within 30 days of purchase.

1-Year Warranty

We guarantee your product is free from defects in product material and workmanship for one (1) year starting from the date of purchase during normal use of household conditions. If your appliance fails to operate properly within our warranty period, we will arrange a new one. Replacement is free and all shipping costs are covered.

Quick Response within 24 Hours

If you are still unable to resolve the issue you are experiencing, please contact us immediately via our support email. It doesn't matter if the product has been installed or not, our customer support team will respond within 24 hours and assist you quickly and efficiently. The most efficient way to confirm your problem to us is to attach a video, which illustrates your product issues.

Problems You May Encounter

PART	PROBLEM	SOLUTION
Whole Product	Parts are missing, defective or having wrong parts in package.	You can contact us and we will get back to you within 24 hours. Or, you can reach us via after-sales email.
	Having issue(s) while reading the instruction or completing the assembly.	You can contact us and we will get back to you within 24 hours. Or, you can reach us via after-sales email.
	Encountering non-human caused damage during usage.	If the product is damaged due to non-human causes, please keep the product and send us photos of it. We will ascertain the cause of the product damage within 48 hours and provide you with a satisfactory solution.
Table Surface	Board Surface is broken, scratched or lack of somescrew holes.	You can contact us and we will get back to you within 24 hours. Or, you can reach us via after-sales email.
	The screw holes that on the board and the steel frame don't line up.	1. Please tighten the screws on the board by 70%, do not tighten completely. 2. Adjusting board and steel frame until the screw holes are lined up, then tighten all the screws.
