CONSOLE TABLE

Label	Picture	Description	QTY
A		Table frame	1
B		Shelf frame	2
C		Round legs on top	6
D		Round middle legs	6
E		Round bottom legs	6
1		Anti-fall cable set	2

Place the tabletop on a soft surface, wear cloth gloves during assembly to avoid damaging the product, and follow the step-by-step assembly instructions shown in the image.

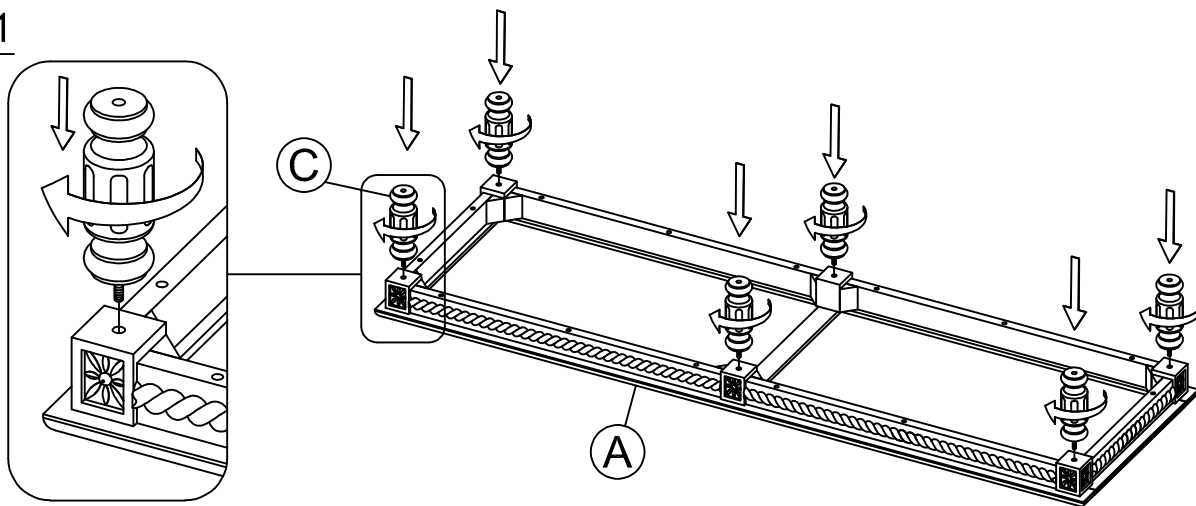

Overview

FRONT FACING

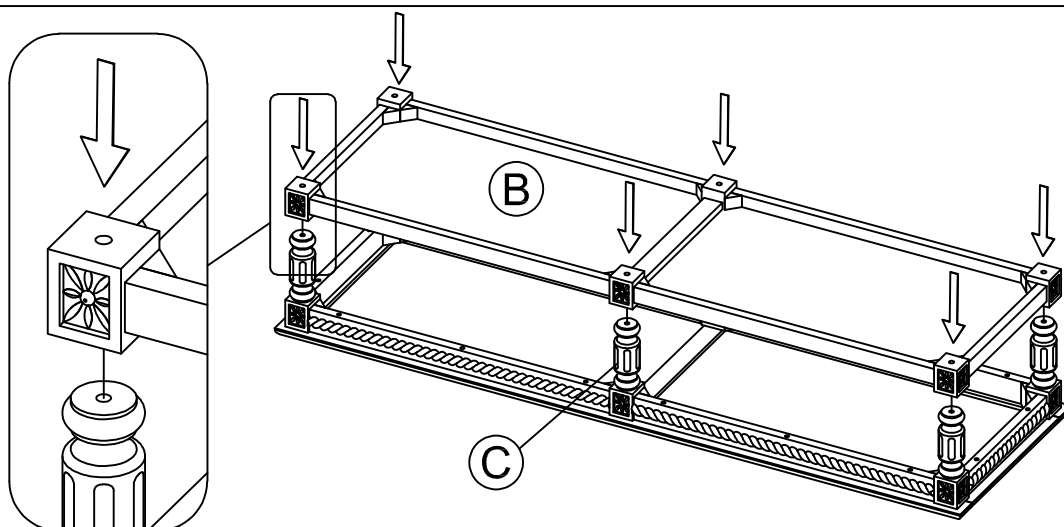

This table consists of many parts and may take up to 60 minutes to assemble. To help you better understand the overall structure of the parts, the image above is provided to help you assemble the different components correctly. Please read the instructions carefully to familiarize yourself with the parts and steps before assembling.

Step 1

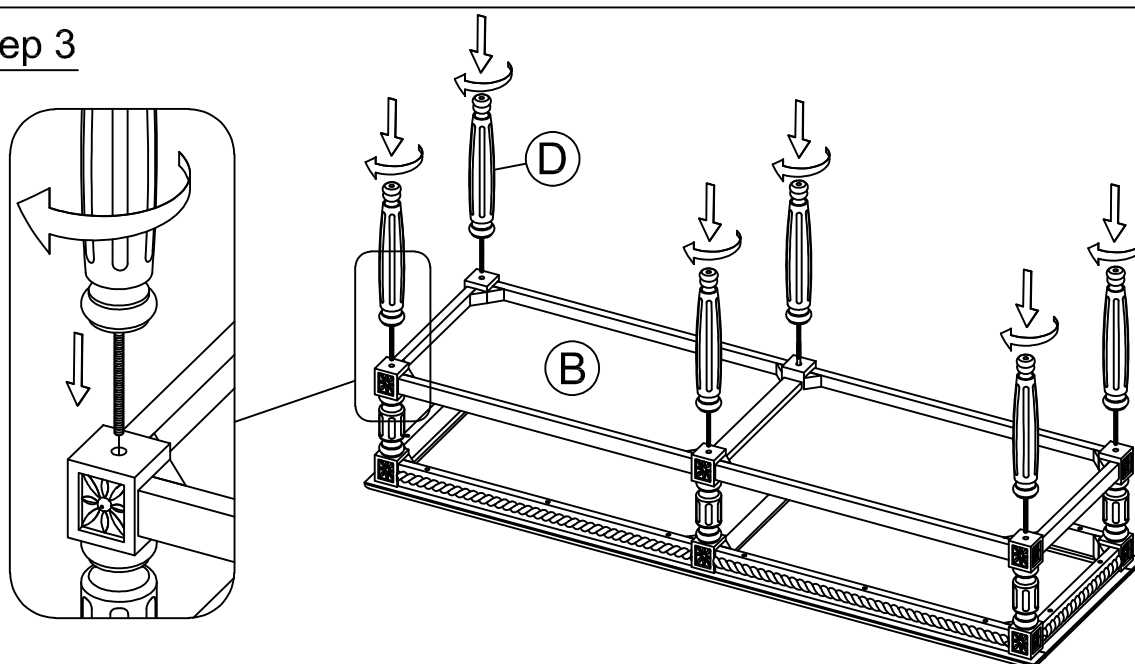

Assemble the 6 round legs (C) by screwing the bolt heads down into the 6 holes on the table frame (A) and tightening them.

Step 2

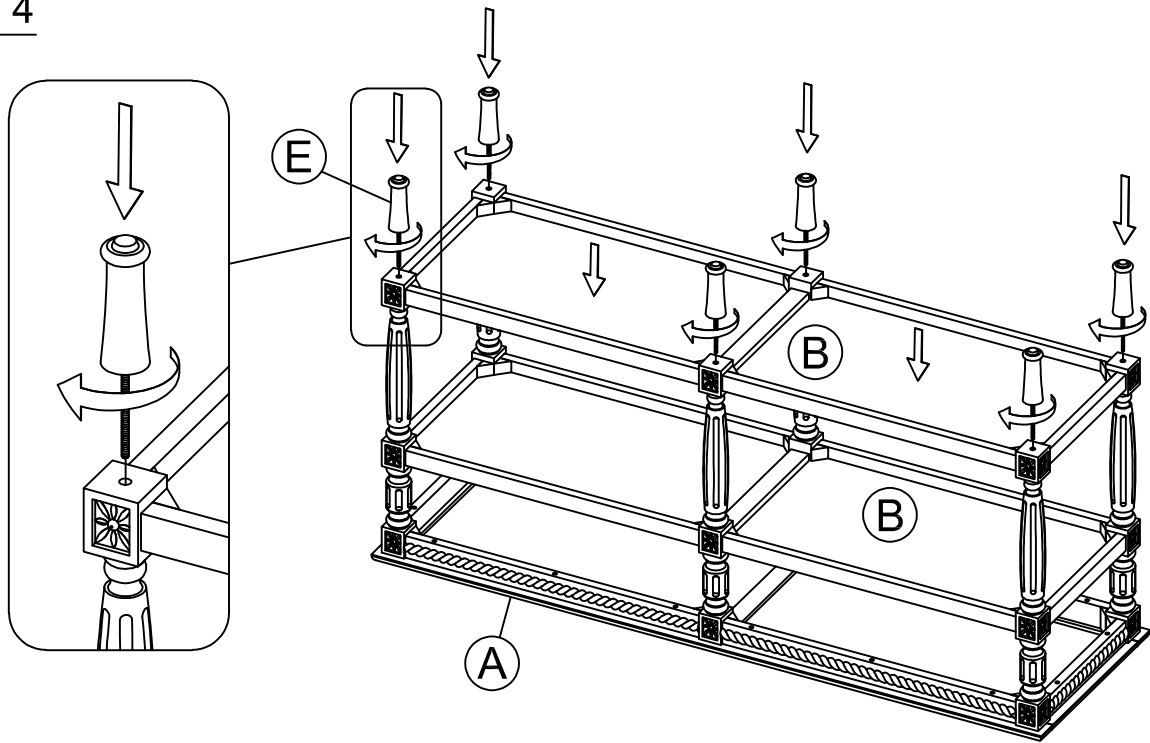

Assemble the first shelf frame (B) with the top facing down, so that the 6 shelf holes align with the 6 round holes in the legs (C)

Step 3

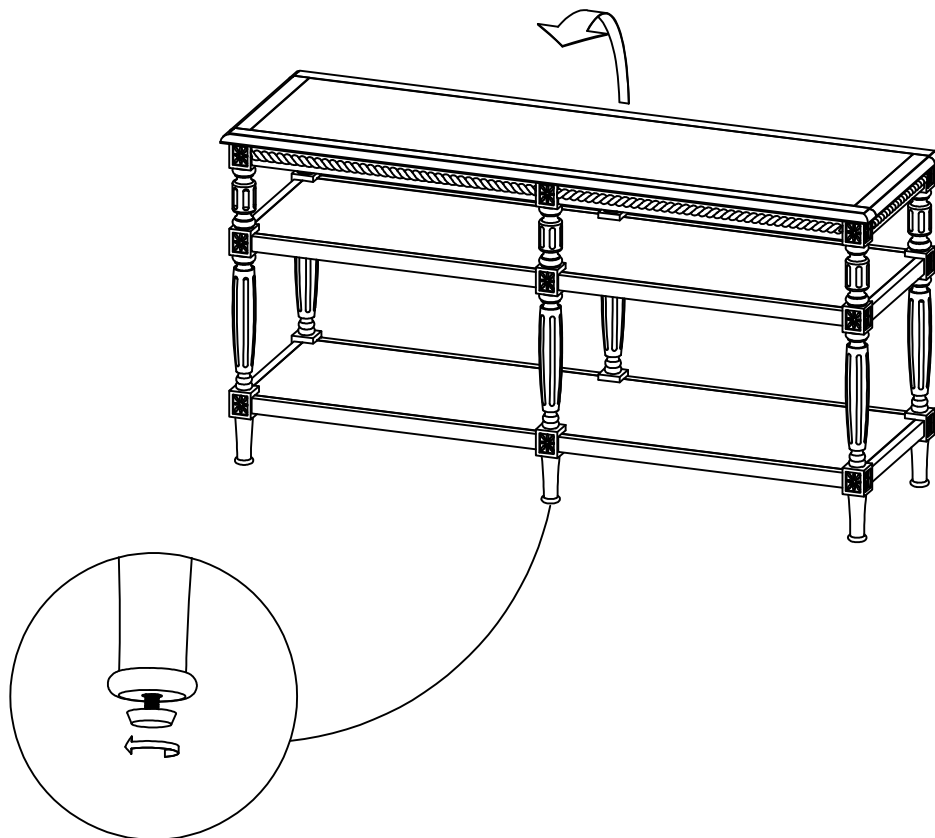

Attach the round middle leg (D). Rotate the bolt downwards and insert it into the 6 holes on the shelf frame (B), then tighten.

Step 4

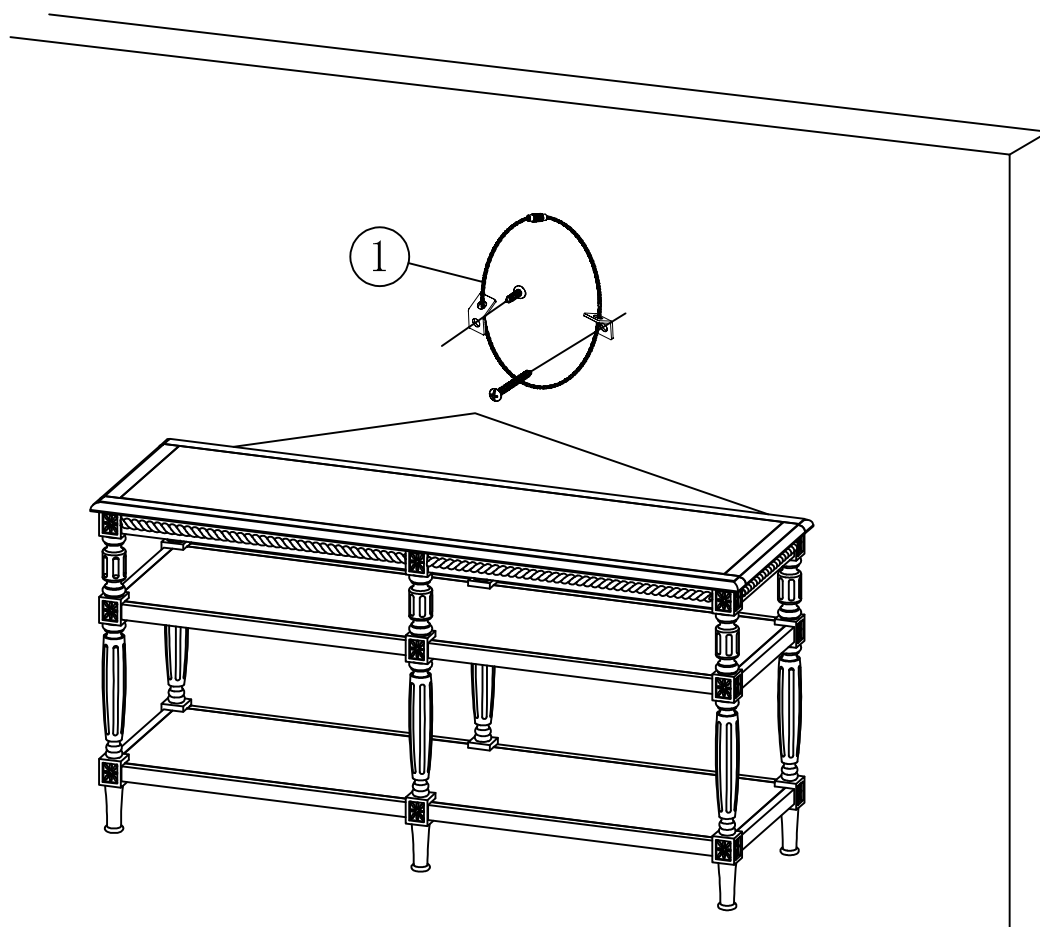

Place the shelf frame (B) with the top side facing down, aligning the 6 holes with the 6 holes on the middle leg (D). Attach the bottom round leg (E), screwing the bolt down into the correct position according to the 6 holes on the shelf frame (B) and tighten.

Once the table is fully assembled, flip it over. Observe which leg is not flush with the floor and adjust the knob underneath.

Step 4

Attach the two anti-rollover cables according to the instructions in the carrying bag.
