

Important Safety Information

Please retain these instructions for future reference.

- For residential use only. Place the umbrella on a stable, level surface.
- Anchoring required. Add base weights totaling at least 100 lb (45 kg) or bolt to solid ground. Do not assemble on sandy, muddy, or loose soil.
- Weather. Do not use in snow, heavy rain, thunderstorms, or strong/gusty winds.
- Pre-use check. Tighten all bolts, screws, and knobs before each use.
- Children & pets. Keep clear during setup and operation.
- If the crank becomes difficult to turn, stop and check if the rope has come off the pulley; forcing it may damage the rope or handle.
- If any parts are missing or damaged, stop using the product until repaired or replaced.
- Do not use this product in any manner inconsistent with the manufacturer's instructions.

Storage

- Close the canopy when the umbrella is not in use.
- Store it in a dry, sheltered area, away from the weather.
- If necessary, cover it with a furniture cover or tarp.

Cleaning

- Wipe with a soft cloth dampened with warm water and mild detergent.
- Do not use abrasive cleaners or solvents.

Before First Use

- Hold the canopy bundle upside down and shake gently to separate the ribs; pull apart carefully if needed.
- Slowly turn the crank to open the canopy; ensure no ribs are stuck together.
