

# GE Profile™ Stainless Steel Interior Dishwasher with Hidden Controls

Model# PDT715SBNTS

- Dry Boost with Fan Assist - Use the latest in drying technology to get hard-to-dry items like plastic tumblers up to three times drier than other heated cycles can.
- Deep Clean Silverware Jets - No matter how you load your silverware basket, powerful jets blast away stuck-on food for silverware that's always spotless
- Bottle Jets - Clean hard-to-reach areas inside tall items with up to 4 dedicated jets integrated into the upper rack that shower water deep inside for the ultimate clean
- Third Rack - Now there's a place for miscellaneous items and gadgets, thanks to an additional rack at the top of the dishwasher that's ideal for plastic lids, pizza slicers and more.
- Steam + Sani - Loosens tough soils before any cycle virtually eliminating the need for soaking or pre-rinsing dishes. Plus a High-temperature rinse sanitizes and reduces 99.999% of bacteria found on dishes
- Piranha Hard Food Disposer - To ensure consistently clean items, this stainless steel blade rotates at 3,600 RPM to pulverize food particles and helps to prevent large particles from clogging the wash arms
- Lower rack multi-position, fold-down tines - Configure racks to fit your dishes with adjustable loading options including multi-position, fold-down tines
- Adjustable Full-extension smooth-glide upper rack - Loading and unloading is smooth and simple with a durable rack that fully extends on 48 ball bearings
- 16 place settings - Extra capacity to ensure easy cleanup from your largest gatherings
