Step 1. Lay wicker top (part A) on a soft flat surface, such as carpet, as shown below. Attach side panels (part B) to top panel (part A) using short bolts (part #1), washers (part #3) and allen key (part #7).

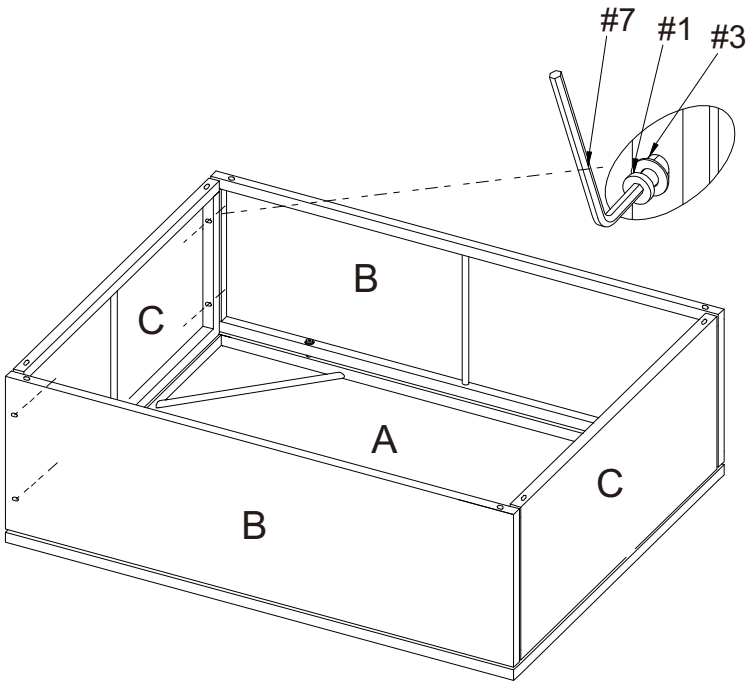

NOTE: Please do not fully tighten bolts until unit is fully assembled.

|    |                                                                                       |    |
|----|---------------------------------------------------------------------------------------|----|
| #1 |  | x4 |
| #3 |  | x4 |
| #7 |  | x1 |

Step 2. Attach end panels (part C) to assembled unit (parts A&B) using short bolts (part #1), washers (part #3) and allen key (part #7).

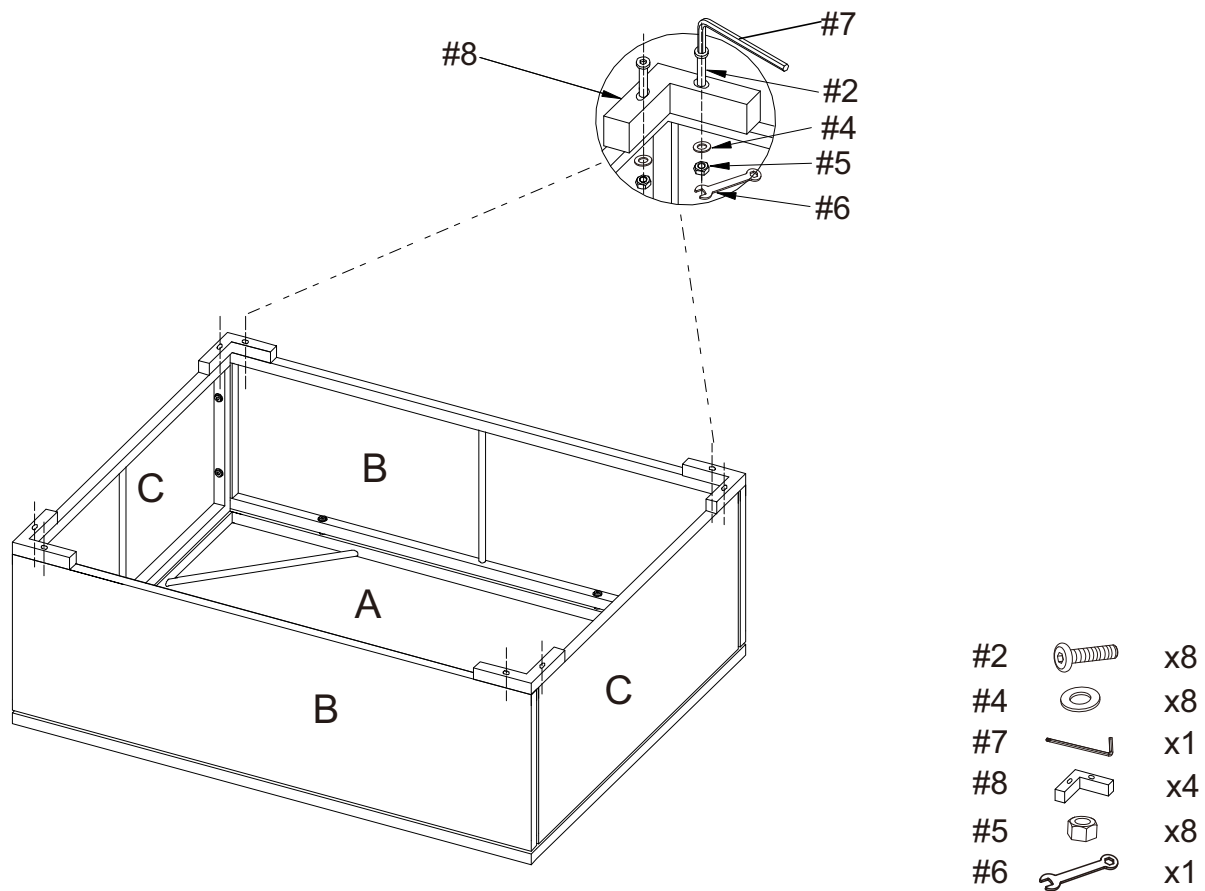

NOTE: Please do not fully tighten bolts until unit is fully assembled.

|    |                                                                                       |    |
|----|---------------------------------------------------------------------------------------|----|
| #1 |  | x8 |
| #3 |  | x8 |
| #7 |  | x1 |

Step 3. Attach L feet (part #8) to assembled unit (parts B&C) using long bolts (part #2),small washers (part #4),nuts (part #5),wrench (part #6) and allen key (part #7).

NOTE: Please fully tighten all bolts at this time.

Step 4. Carefully turn the coffee table upright.
