Application

It is suitable for use in bedrooms, cloakrooms, bathrooms and many other living situations as a laundry basket for storing and hanging bed linen, dolls, scarves, dirty clothes, bath towels and other items.

Notes

1. Please put the heavy objects at the lower end as far as possible to avoid tipping due to head weight.
2. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
