NOTICE:

- Basic precautions should always be followed when using this product. Please read all instructions before using the cabinet and retain the education for future reference.
- Failure to observe all instructions and warnings may cause severe property damage or personal injuries.
- When unpacking, please be careful not to cut too deep to damage the products in the box. Just use the blade to scratch the parcel tape.
- Check the product and hardware accessories in the box; and confirm whether the instructions are complete.
- When installing, please pay attention to the protection of the parts. The soft material must be placed under the product, and please carefully handle it to avoid surface damage.
- After the assembly is completed, please adjust the placement position according to the actual situation.
- Keep children away from cabinets, accessories, and installation tools. They are at risk of injury to the child.
- Two people are recommended for assembly.

RETURN/DAMAGE CLAIM INSTRUCTIONS:

- The product is shipped in a single carton box. If you haven't received the package or need to know the tracking information, please get in touch with us immediately.
- If the package is damaged, please contact us as soon as possible. Attaching photos of the damage is appreciated.
- The product accepts returns within 30 days without any reason. If you return this item for personal reasons, you must cover the return shipping fee and order processing fee (0–20% restocking fee based on the invoice price). We will cover the freight if the product has quality issues (not caused by human factors).
- Please keep the original box if you need to return the goods. Please use our return label and do not return it without permission.
- If you return the product after 30 days of receiving it, we are afraid your return application won't be accepted. We appreciate your understanding.
- The warranty product is one year. If this item is damaged within the warranty period, we will arrange the replacement parts free of charge. If the item is damaged for personal reasons, we could also replace it for you. However, you need to bear the transport fees.

Tips

- When installing the product, use a soft surface (such as carpet or cardboard) to avoid scratching or damaging the surface of the product.
- Please try to use a manual screwdriver instead of electric screw driver. A manual screwdriver can be used to better control the tightness of the screws.
- Do not use any glue.
- The product is unstable before it is assembled. Please pay attention to the product installation sequence, and align all screws and screw holes before tightening.
