Assembly Instructions

Decomposition Diagram of the product

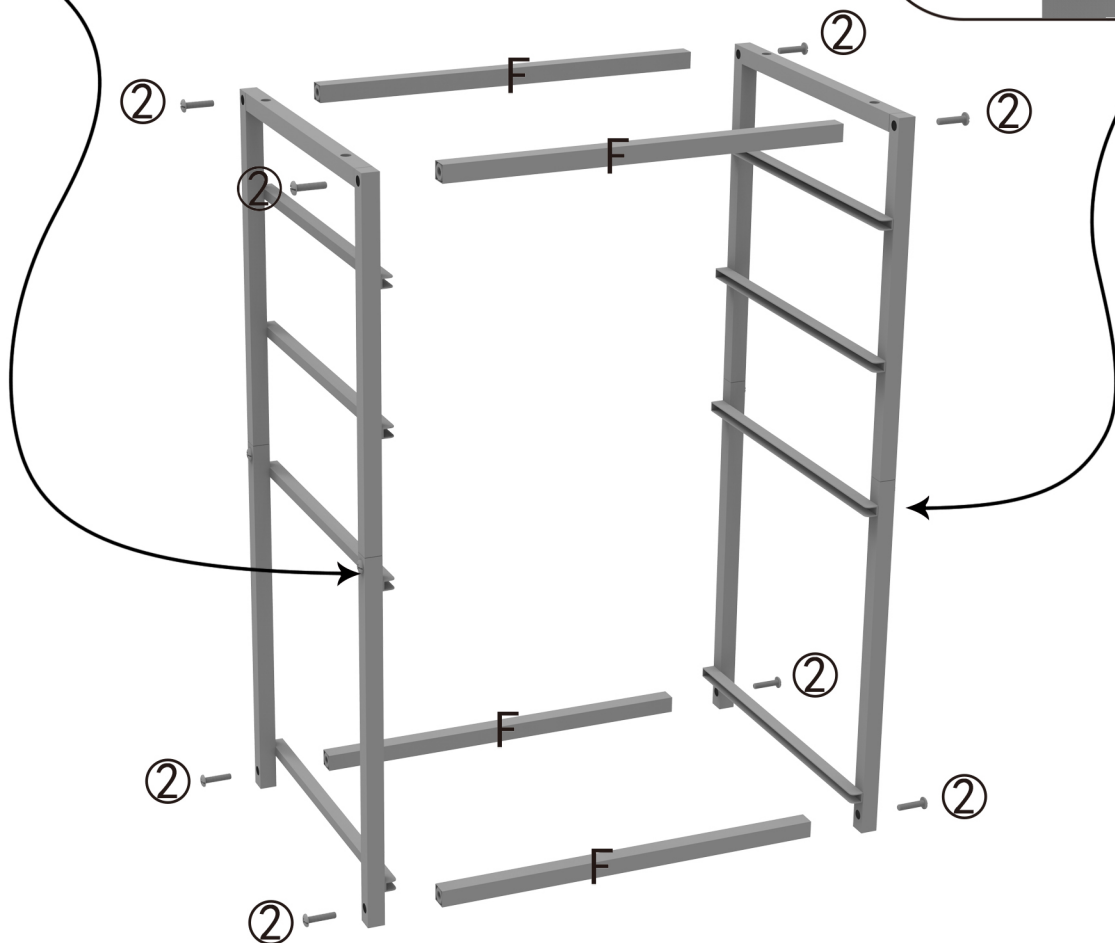

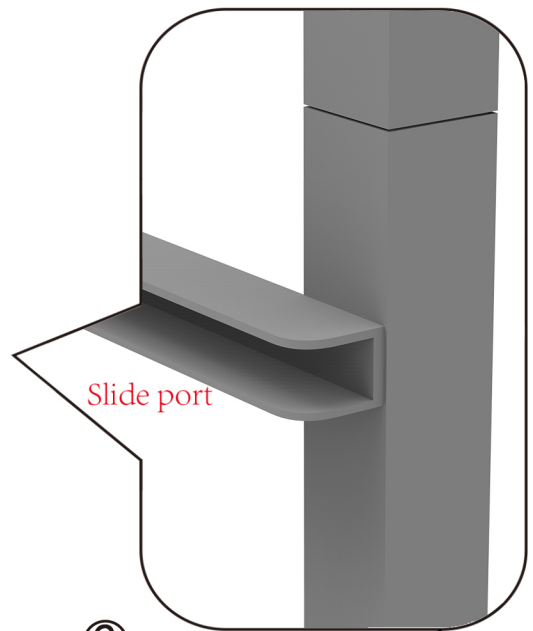

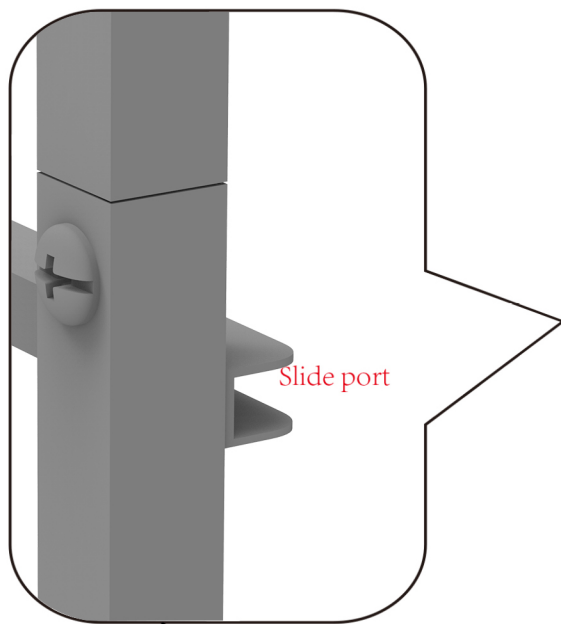

Installation Instructions

 A	 B	 C	 D	 E	
 F*4	 G	 H*2	 J	 ①*18	 ②*14
Two of them with brakes  ③		 ④*4	 ⑤*5		

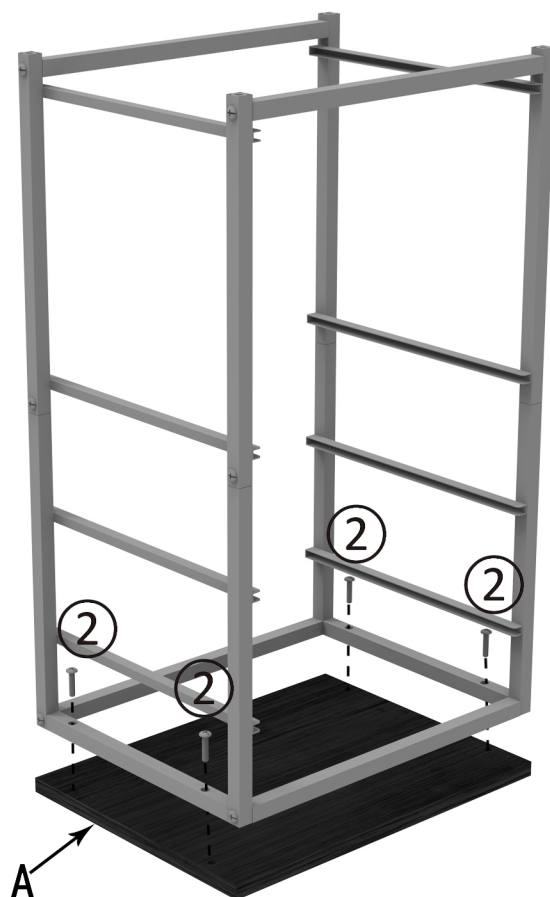

1 Fix parts B and D with screws ⑤ 	2 Fix parts C and E with screws ⑤ 
---	--

- 3 Place parts F between BD and CE, and fix them with screws② as shown
Note: the slide ports of BD and CE are on the same side as shown.

4

Place the shelf upside down,
fix board A on the shelf with screws ② as shown

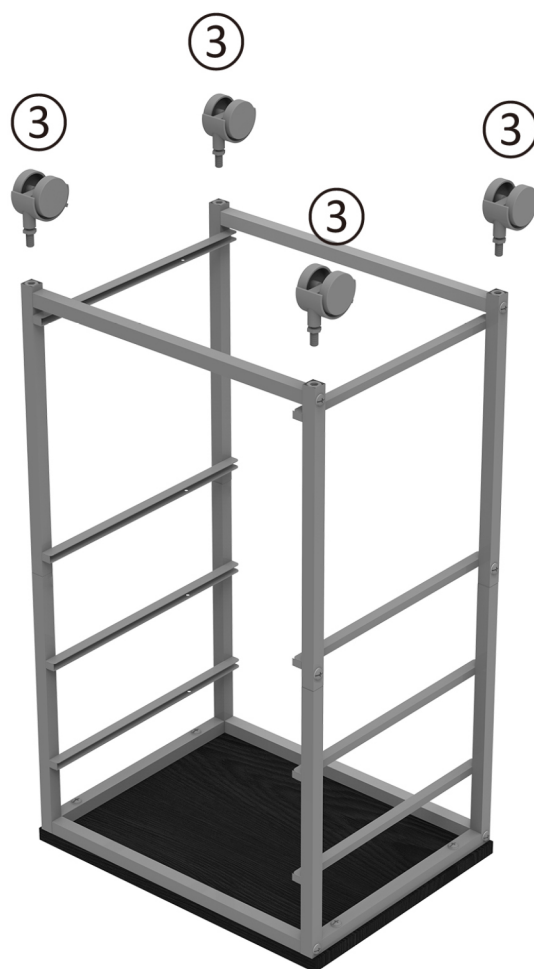

5

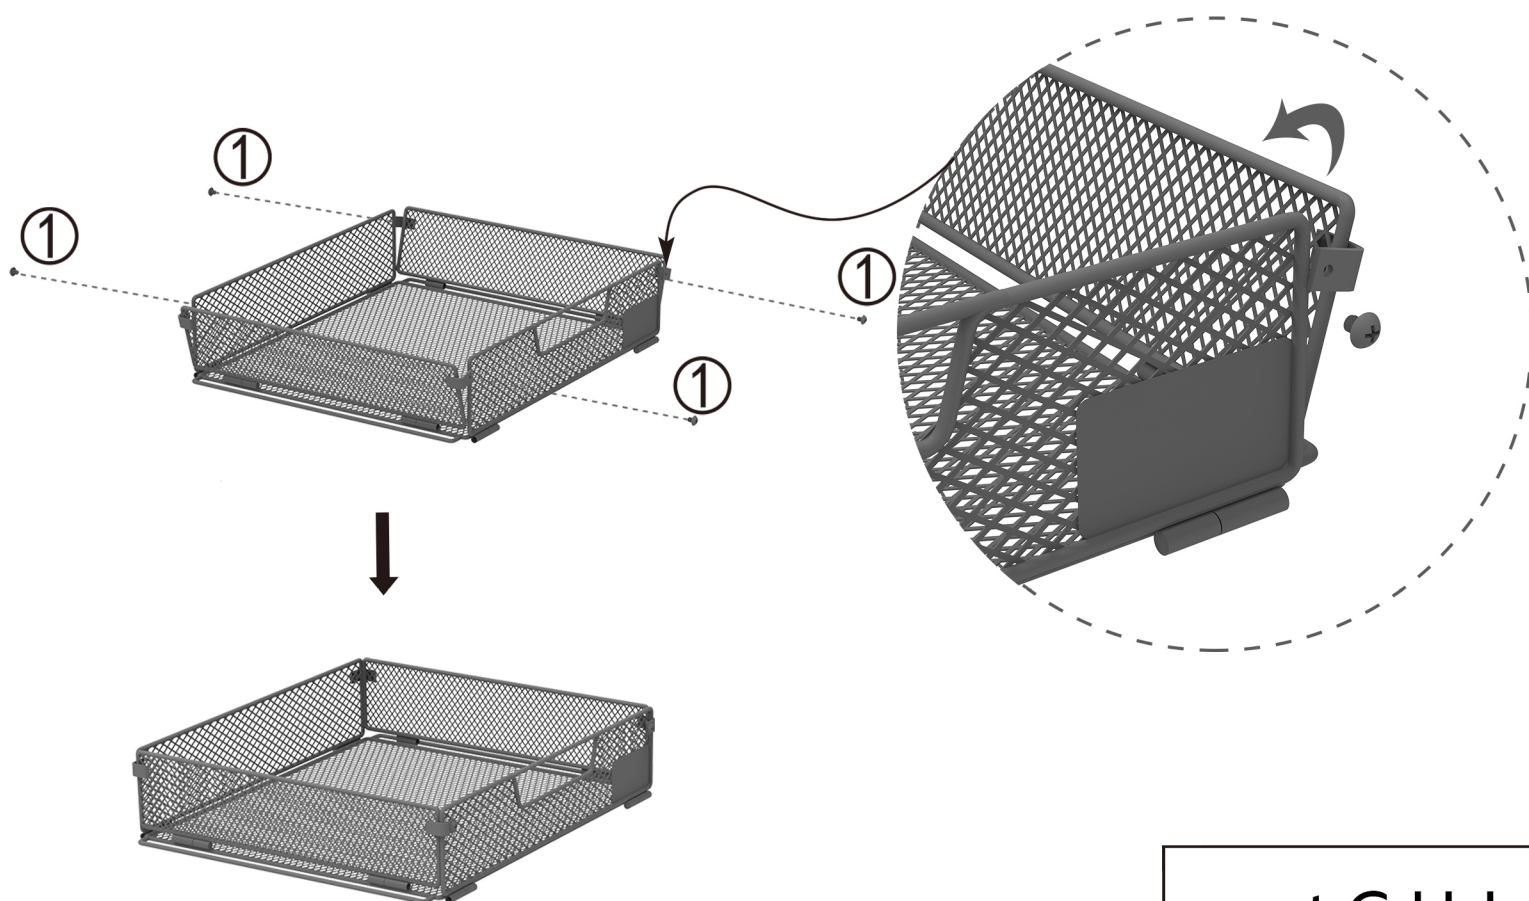

Fix wheels ③ at the bottom of the
shelf as shown

Note: Parts ④ can be used instead
of the wheels, which will keep it stationary
rather than moving.

Choose according to your needs

- 6 Unfold four sides of the part G H J and screw them separately.
Note: The parts G H J all operate in the same way as shown.

- 7 Place the drawers G, H, and J as shown
