### STEP 6

Insert pin plug (L) into tube (K). Attach spring (M) to pin plug (L).

## Cleaning and Maintenance

Clean frame with mild soapy water, rinse thoroughly. Dry frame parts completely. Do not use bleach, acid, or other solvents on the fabric and metal parts. We recommend the use of furniture covers to protect the stand when not in use.

Inspect and tighten all bolts on a regular basis to ensure proper performance and safety.

In order to prolong the life and beauty of your stand, we recommend storing it in a dry and protective area during off season periods.
