Warnings and Cautions

- Please retain this instruction for future usage and read carefully before assembly.
- Make sure you have all the parts & hardware as the item list shows.
- Do not discard any of the packaging until you have checked that you have all the parts.
- All bolts shouldn't be tightened until the complete piece is assembled, which will make the assembly process much easier. Once the piece is fully assembled, then go back and tighten all bolts with the provided tools.
- Check all bolts for tightness before use, and periodically check and tighten bolts to ensure your product works properly.
- Some parts might have sharp edges. Please follow basic safety precautions to reduce the risk of hurt.
- It is essential to place the product on the even ground and not less than 6 feet from any obstruction such as fences, garages, the house, overhanging branches, laundry lines, or electrical wires.
- Keep all kids and pets away from the assembly area. Be careful the parts are not swallowed by pets and kids.
- The product is not to be used for standing and will not function as a stool or step-ladder.
- The product is not a toy. Proper use is for single person seating only.
- Product is tested for use at weight of 70 lbs. Improper use or failure to use as directed may result in injury.
- Not intended for commercial use.

Warranty

Limitation

We are committed to offer a one-year limited warranty on this product.

This warranty covers defects in materials and workmanship under normal use and care for a period of one year from the date of purchase.

Do not Cover

Normal wear and tear, including scratches, stains, fading, or discoloration.

Damage caused by misuse, accidents, neglect, or improper maintenance.

Damages resulting from exposure to extreme weather conditions.

Commercial use of the product.

How to File a Claim

Proof of purchase such as dated receipt or invoice is required.

Include a detailed description of the issue and photos, if applicable.

Contact our customer service team for assistance.

Care and Maintenance

For optimal product performance, we recommend following all below.

- **Spills:** Immediately wipe up the spill using a white damp cloth. Repeat this step until stain is gone.

- **Product care:**

When not in use, wipe free of any dirt or loose objects.

Wash with a mild solution of soap and water, rinse thoroughly and dry completely.

Please inspect and tighten all bolts or fasteners on a regular basis to ensure the proper performance and safety.
