

New Cat Condos

Assembly Instructions

Package contents:

- 1 - Base
- 1 - Middle Perch
- 1 - Single Carpet Post
- 1 - Top Circular Perch

Follow these easy steps:

- 1** In a large, open area, open the box and remove all contents. Take the single carpet post and connect it to the right post of the base rotating it in a clockwise direction (see Figure 1).
- 2** Take the middle perch with post attached and connect it to the left post of the base unit by rotating in a clockwise direction (see Figure 2).
- 3** Take the top circular perch and connect it onto the top of the carpeted post in a clockwise direction. As circular perch begins to feel snug, continue to turn slowly to avoid damage, twist until tight (see Figure 3).
- 4** OPTIONAL: For added support, take the two screws and drill them through the inside of the middle tray into the single post (See Figure 4)
