WARNING

Recommended Maximum Weight

General Guidelines

.Please read the following instruction carefully and use the product accordingly.
.Please keep this manual and hand it over when you transfer the product.
.This summary may not include every detail of all variations and considered steps.Please contact us when further information and help are needed.

Notes

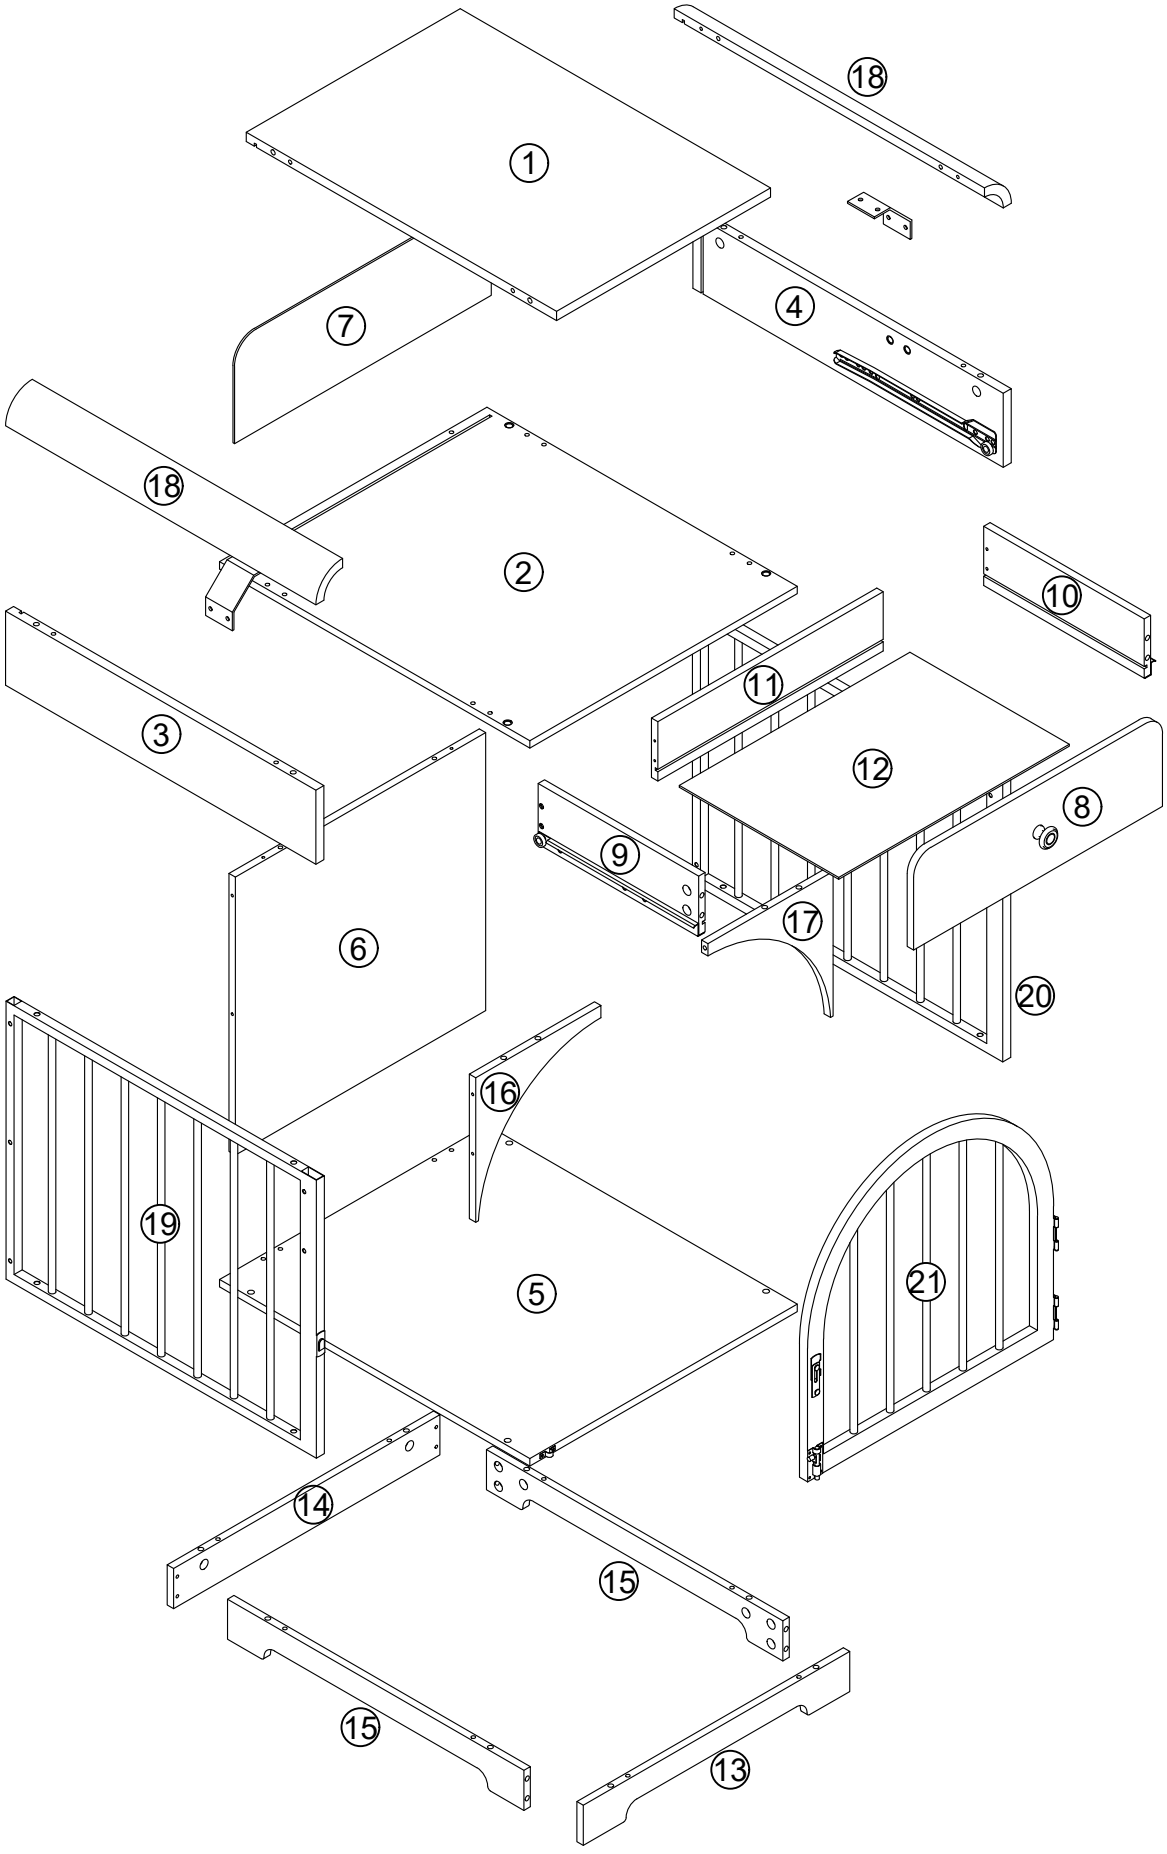

. This unit has been designed to support the maximum loads shown. Exceeding these load limits could cause sagging, instability, product collapse, and/or serious injury.
.The product is intended for indoor use only. The product must be assembled and used in accordance with the provisions of this manual. Personal injury and/or damage to product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design. The seller does not assume any responsibility or liability with respect to any injury/damage caused by incorrect assembly or improper use.
.Avoid long-term exposure to humid environments to prevent mildew.
.Keep the product away from fire sources and high temperatures. Do not expose this product to direct sunlight.
.Do not place any hot project on the surface of the product.
.If there are any defective or missing parts after unpacking, please cease assembly immediately and contact us.
.It is important that each step is performed in correct order to avoid difficulties.
.Please assemble the item on a spacious surface and do not place the unwrapped product directly on the ground to avoid product damage.
.Please do not stand or sit on the wooden boards.
.Please wear gloves during the assembly and/or disassembly process to avoid scratches from any sharp edges.
.Please match the corresponding part and fitting based on the part number in the manual.
.If the part does not match with the fitting, please check the pieces as specified in this manual.
.During assembling, firstly loosely align all screws with corresponding pre-drilled holes and then tighten the screws one by one.
.Periodically inspect screw tightness while the product is in use.If necessary, retighten to ensure structural integrity.
.If you accidently spill water or another liquid on the surface, immediately wipe clean with a dry towel.
.Please keep the product away from sharp, pointed objects and corrosive substances to prevent product damage.
.Please place this item on level, solid ground during use.

Warnings

.During assembly, keep all small parts out of the reach of children.It may be fatal if swallowed or inhaled.
.Children should not climb or play on this product in order to avoid tipping over the furniture and causing serious injury.
.To ovoid the potential dangers of suffocation, please keep all parts and packaging(film, plastic bags,foam,etc.) away from babies and children.
.Keep sharp objects and corrosive items away from the product to avoid any damage or injury.
.Do not shake or move violently during use to avoid tipping over the product.

Step 1

Connect the male camlock as directed in the assembly instructions using a screwdriver.

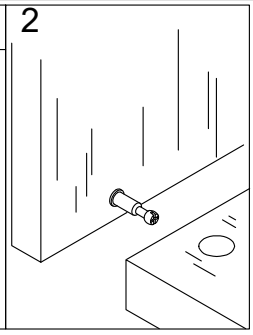

1

Step 2

Push the male camlock into the entry hole.

2

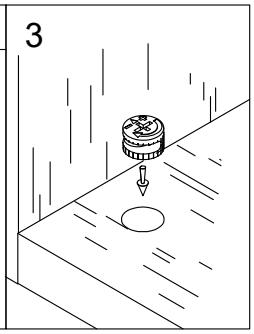

Step 3

Insert the female camlock as shown in the instruction.

Note: ensure that the arrow on the top of the camlock points towards the entry hole for the male camlock.

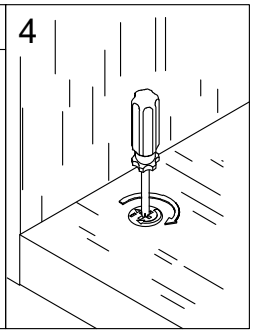

3

Step 4

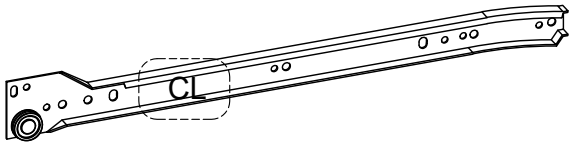

Turn the female camlock 180 degrees clockwise with a screwdriver to complete the locking.

4

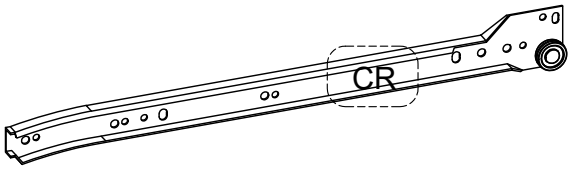

Don't confuse hardware left with right.
