## All Angles 3

D2780S55587-4688

The third in a four-part series, All Angles 3 features hard-edge abstraction with minimalist color contrasts and a precise geometric design to create depth and perspective on a flat surface that gives the illusion of a three-dimensional scene. The clever interplay of light and shadow lends a sense of depth and movement. The dark color scheme in midnight black, Prussian blue, and mocha add to the enigmatic nature of the work. Dynamic and aesthetically pleasing, All Angles 3 is an alluring addition to ART by TA.
