Installation Instructions

1-4. Use the quick link to attach the hanging rods to the hanging rings on the lamp body.

5-8. Pass the main wire through the chain and ceiling plate, then use the quick link to connect the chain to the hanging rings on the lamp body and the ceiling plate.

9-10. Secure the mounting plate to the junction box by using the mounting plate screws.

11. Connect the main wire (live wire and neutral wire) of the fixture to the corresponding reserved wires in the junction box by using the wiring caps. Be careful not to expose the wire to prevent leakage.

12. Use the green screw to secure the ground wire of the fixture to the mounting plate. Then use a wiring cap to connect the ground wire from the junction box to the fixture's ground wire. Be careful not to expose the wire to prevent leakage.

13. Use cap nuts to secure the ceiling plate to the mounting plate.

14. Install the light bulb (not included).

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
