✓ Dos

When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.

Remove all packaging and banding and place the components carefully on suitable surfaces to prevent damaging or scratching them.

Check the pack and make sure you have all of the parts listed.

Check all screws and bolts are tightened and inspect regularly.

This product is suitable for all year outdoor use, but we recommend that a furniture cover be used to add additional protection to your product when not in use.

During severe weather conditions and in the winter months we recommend moving your furniture inside into a cool, dry place.

Before storage, ensure that the product is clean and dry.

To clean, wipe down with a sponge and warm soapy water and wipe with a clean, dry cloth.

Cushions should be cleaned following the care instruction on the label.

If the set is stored outside then we recommend that cushions are brought inside for storage and protection.

Torrential rain! No problem, just shake it dry. Red Wine, Drinks & Sauce spillages! It's no problem, just wipe it off.

✗ Don'ts

Do not use scourers, abrasives, washing powders, chemical cleaners or any other substances containing abrasives since these substances can damage the product, including the glass panel.

Do not place very hot or very cold items on the glass surface unless adequately thick table-mats are used to prevent such items from coming into contact with the glass.

Do not use the glass as a chopping surface.

Do not strike the glass with hard or pointed items.

Do not use power tools to construct this product.

Do not use this product if parts are missing, damaged or worn.

Do not sit or lean on this product.

Do not stand or climb onto the product and do not use it as a ladder, as this could lead to it unbalancing and overturning.

Never drag furniture when moving it, always lift it.
