

Comfort Glow EQS5140 Sanibel 3-Sided Infrared Quartz Electric Stove

SKU:

EQS5147

UPC:

013204251475

The Sanibel is hugely popular with the 3-sided panoramic view of the firebox/flame area. The steel black finish adds realism to this stove and its compact design allows it to fit almost anywhere. 1,000 watt resistant heating element with 500 watt infrared quartz heating element.

Features:

- Panoramic 3-sided viewing allows the flame to be seen from 3 sides
- Realistic log set, dancing yellow faux flame and glowing ember bed for real wood burning effect
- Real working door
- Concealed front access controls
- Flame intensity control
- 2 heat selections (750/1500W)
- Infrared quartz heating element
- Accidental thermal shut-off
- Flame only option-No heat
