

39-02 Reclining Garden Chair

Instructions & Safety Advice

Please read & retain these instructions for future reference.

1. Make sure that the chair is on a level surface
2. Take care not put your hands or fingers under or inside the mechanism that operates the chair.
3. To open the chair, hold the top of the backrest and gently pull out the front of the chair until the frame is open and the chair is in an upright position and securely clicked into place.

TO LOCK THE CHAIR, SIMPLY PULL THE FINGER LOCK DOWN TOWARDS THE GROUND

TO UNLOCK THE CHAIR, SIMPLY PULL THE FINGER LOCK UP TOWARDS THE ARMREST

4. Lock the chair into a position by pulling the finger lock on each side of the chair to the down position. You can adjust the position of the chair by sliding the finger locks upwards towards the armrests until you have found the position you want and then lock them back into place.
5. Sit down on the chair slowly.
6. To recline the chair, sit on it with your feet resting on the metal bars at the bottom of the chair. Gently lean back until you have reached the desired reclining position and then lock the chair into position.
7. To fit the accessory tray attach it to the leg hinge and then gently slide it down to lock into place. **Please Note** the accessory tray must be removed before you fold the chair for storage.
8. Attach the sunshade to the top of the back rest and adjust it to your desired position. **Please Note** the sunshade must be removed before you fold the chair for storage.
9. To fold the chair away remove all accessories and return it to the upright position. Slide the finger locks to the unlocked position. Hold the top of the backrest and gently pull the front of the chair inwards until the chair is in the closed position.

Caution

- This chair holds a maximum weight of 150KG
- Designed for use by 1 person at a time only.
- Do not put your hands or fingers under or inside the mechanism that operates the chair.
- Always ensure that the chair is locked and fully open before sitting down on it.
- Wipe clean with a soft damp cloth
- Store the chair indoors in extreme weather such as rain or snow to avoid damage.
