SAFETY TIPS

Static charge may cause dust on foam-clean with a dry or damp cloth.

Small foam strands may be present-handle gently and dispose of properly.

Do not burn or incinerate. Check local recycling guideline.

CONSEILS DE SÉCURITÉ

L'électricité statique peut attirer la poussière sur la mousse - nettoyer avec un chiffon sec ou humide.

De petits morceaux de mousse peuvent être présents - manipuler avec précaution et jeter correctement.

Ne pas brûler ni incinérer. Vérifier les directives de recyclage locales.

Have an assembly question or need a replacement part?
Please contact with our customer service.

Vous avez une question sur le montage ou besoin d'une pièce de rechange ?
Veuillez contacter notre service client.

Warnings

Important reminder:

Please sort and check all accessories before assembly.

Place the product on an empty cardboard box or on carpet to prevent scratches.

- ⚠ Please use proper tools for assembly. Using an electric screwdriver can accelerate the assembly speed, but please do not overtighten the screws.
 - ⚠ Please follow the assembly steps and do not skip any of them.
 - ⚠ If possible, please find a partner to help you with assembly, which can accelerate assembly.
 - ⚠ Keep all small parts of this product away from children. They may cause serious injury.
 - ⚠ We hope you can retighten the screws 2 weeks after assembly, and check the tightening procedure of the screws every 3 months.
- If you meet any difficulty, our friendly customer team are always ready to help you.

Avertissements

Rappel important :

Veuillez trier et vérifier tous les accessoires avant le montage.

Placez le produit sur un carton vide ou sur une moquette pour éviter les rayures.

- ⚠ Veuillez utiliser les outils appropriés pour le montage. L'utilisation d'une visseuse électrique peut accélérer le montage, mais veuillez ne pas trop serrer les vis.
 - ⚠ Veuillez suivre les étapes de montage et ne pas en sauter aucune.
 - ⚠ Si possible, veuillez trouver un partenaire pour vous aider lors du montage, ce qui peut accélérer le processus.
 - ⚠ Gardez toutes les petites pièces de ce produit hors de portée des enfants. Elles pourraient causer des blessures graves.
- Nous vous recommandons de revisser les vis 2 semaines après le montage, et de vérifier le serrage des vis tous les 3 mois.
- Si vous rencontrez des difficultés, notre aimable équipe du service client est toujours prête à vous aider.

3.2 App Operation

(2) After entering the APP interface, if Bluetooth is not enabled, "an application wants to enable the Bluetooth function of this device." Click [Allow]

(3) switch to color and brightness interface:

Click to show the lamp list

Switch the color wheel

Display the RGB value
Click to manual adjustment view

Click to shift the interface

A screenshot of the app's color and brightness interface. It features a large color wheel in the center, a brightness slider below it, and various preset color buttons at the bottom. Arrows from surrounding text boxes point to specific UI elements: a hamburger menu icon, the color wheel, the RGB value display, a square icon, and the bottom navigation bar.

Click to display setting view

Lamp switch button

Adjust the color

Click square icon to adjust the color

(4) click to show the lamp list, view lamp list:

Bluetooth auto connect after search for devices

Lamp list

Status of device connection

A screenshot of the app's interface showing a list of discovered devices under the heading "My Devices". One device, "ELK-BLEEDOM", is listed with its MAC address and a connection status icon. Arrows from text boxes point to the device list and the status icon.

Status of device connection

(5) Click to RGB manual adjustment view:

(6) switch to the mode interface:

Scroll the selection mode

Adjust seed

Adjust luminance

(7) switch to the music rhythm interface:

Previous song,
Pause/Play,
Next song

Play mode

Music List

(8) Switch to the online music interface:

(9) Switch to the microphone rhythm interface:

Music rhythm through the
microphone on the product

Switch phone microphone
and external microphone

4-style rhythm

Change the sensitivity of
MIC to match the sound

(10) Switch to the schedule interface:

(11) Switch to the modify pin sequence interface:

Rhythm 1-2: Single click to switch to 1-2 rhythm mode
 Rhythm 3-4: Click to cycle through the 3-4 rhythm mode
 Remote control lock: After pressing, the remote control is locked, pressing the switch is available, other keys are invalid. After pressing once, the unlock button can be used. After the remote control is locked, press the switch to unlock the remote control.
