## Sofa

# Safety and Care Advice

**Important - Please read these instructions fully before starting assembly**

**Thanks for your purchase. Before assembling, please follow the instructions to check if all the spare parts and screws are intact.**

- Considering the size and weight of the sofa, we recommend two adults to assemble the sofa, on a carpeted or padded area, in the room that it is intended for. Approximate assembly time: 30 minutes.
- Please do not throw away any of the packaging or the instruction until you have checked all the components and hardware and the furniture is fully assembled. Please ensure that the packaging is disposed in a safe and environmentally friendly way.
- Keep all components and packaging out of reach of children or animals to avoid the risk of choking or suffocation.
- Please do not take off the cover, and do not wash.

**Your cushions come vacuum packed and sealed for shipping. To restore the cushion's original shape, follow the steps below.**

**Recovery takes 48 hours and requires tapping the backrest.**

## Attention:

1. Please install other parts first, and then open the compressed backrest and seat cushion.
2. Be careful not to scratch the product when opening the compressed package.
3. The sponge is expected to recover in 48 hours, and you can speed up the recovery by patting the backrest.
