

OSTRICH FLUFF POUF OTTOMAN

The Ostrich Fluff Pouf Ottoman brings playful glamour and luxurious comfort to any space. Handcrafted in Durban, South Africa by Egg Designs, this pouf features a plush upholstered seat — available in velvet or leather — wrapped in a delicate trim of genuine ostrich feathers. The soft feather skirt adds movement, texture, and a touch of theatrical elegance, balancing beautifully with the pouf's modern silhouette.

Part of the celebrated Ostrich Fluff Collection, this ottoman pairs effortlessly with the matching lounge chair or can stand alone as a bold accent piece.

INSTALLATION AND CARE

- Remove velvet fabric creases with a light steam
- Velvet pile can be brushed using a soft cloth in the direction of the pile
- Viscose can distort easily when exposed to water, so it is best to voice using water or liquids to clean. For high viscose content upholstery, professional dry cleaning is recommended.
- Leather is a natural product and is therefore susceptible to fading if exposed to direct sunlight or moisture
- Feather skirt is robust; however, use caution when vacuuming
