How to Install

1. Measure the size to determine the fixing point, secure the disk on the wall with screws.
2. Screw both ends of the connecting rod to the aluminum alloy bracket.
3. Fasten the net rack to the connecting rod.
4. Fix the locking bar to the disk.

Notes

1. Please note that this product does not include eyeglasses.
2. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before ordering.
