

STICKLEY®

Surrey Hills Two-Door Nightstand, Stone Top

On the Two-Door Nightstand, organic details like our laser-cut fretwork stand out against a clean, linear case of quartersawn white oak. The fretwork's holly-style vines are inset between stepped stiles and backed by a wooden panel. A stone top in sea grass hues brings another nod to nature. Inside is an adjustable shelf, and for a glint of sunlight, the piece is finished with tapered satin brass knobs and narrow brass ferrules on each post.
