INSTALLATION PROCEDURE

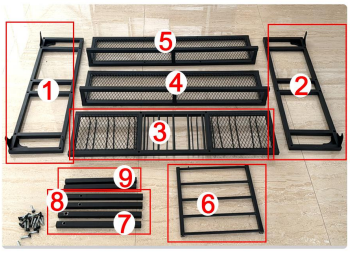

Wall mounted wine rack Installation Manual

Wine rack accessories:

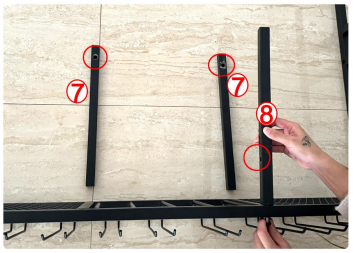

INSTALLATION PROCEDURE

1.Check if the accessories are complete

2.Fix the left and right baffles to the shelf with cup holders

3.Install four longer vertical rods with holes on the bottom layer board in sequence, with the holes facing inwards

4.Fixedly connect the remaining two short rods between the vertical rods and the left and right baffles

5.Attach the center cup holder to the vertical rod

6.Fix the shelves in turn and finally tighten the screws in turn
