

Furniture Warranty

Hammary products are warranted to the original purchasers from authorized Hammary dealers for factory-related defects (materials and workmanship) that appear under normal household use for a period of one year from the date of shipment from our factory. Please report any concerns you may have with your furniture within this time frame to your retailer. This warranty is limited to repair or replacement of the defective part, or substitution of product, in Hammary' sole discretion. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. HAMMARY WILL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES, EVEN IF IT HAS REASON TO KNOW IN ADVANCE THAT THEY ARE POSSIBLE. These warranties give you specific legal rights, and you may have other rights that vary from state to state. Some states do not allow the exclusion of implied warranties or the limitation of damages, so the above exclusions and limitations may not apply to you. In the event the warranty exclusions do not apply to you, then, where legally permissible, such implied warranties are limited in duration to the stated warranty period and no warranties apply after that period. In circumstances in which the warranties provided herein do not apply, the products involved are, where legally permissible, still subject to the above disclaimer of implied warranties and the above limitation of damages. Hammary does not authorize anyone, including its dealers, to create for it any other warranty, obligations or liability in connection with its products.

How to Care for your Items

Hammary finishes are naturally resistant to minor everyday hazards and accidents; however, precautions are necessary to maintain the beauty of your wood furniture. Dust with a soft clean cloth slightly moistened with water, then dry completely with another clean cloth. Always rub in the direction of the wood grain. Keep cigarettes, hot dishes, moisture and harsh solvents such as nail polish and alcohol away from furniture. Do not place beverages directly on furniture. Use pads beneath accessories when writing or eating. Remove spills and smudges immediately. Pliable materials such as plastic or rubber should not be left on a wood surface; they can damage the finish. Furniture should not be placed near heat, outlets, windows, or in direct sunlight.
