

ASSEMBLY INSTRUCTIONS

Kit Content :-

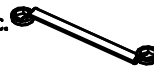

Bolts-7Pcs.
50x8mm.

Washers-10Pcs.
8mm.

Ring Wrench-1Pc.
12x13mm.

Big Bolts-3Pcs.
150x8mm.

Instructions:-

1. Keep the pedestal upside down on a protective surface.
2. Attached pedestal with pedestal plate using bolts & washers with ring wrench. (See image 2.)
3. Insert 2 wood dowels into small holes in pedestal as shown. Using bolt and ring wrench fix the base to pedestal. (See image 3.)
4. Now keep the round top upside down on a protective surface. Place the base pedestal unit on top matching the holes. Fix using bolts & washers with ring wrench. (See image 4.)
5. Turn the table upside down and is ready to use.
