

Perfect pulled up to your open-concept kitchen island, or paired with a rustic home bar, this stylish swivel bar stool lends a touch of rustic appeal to any ensemble. Crafted of Iron in a gold finish, the four-legged frame features a hand adjustment and a built-in, square footrest. Sporting a warm brownish black and white finish, the backless Hair on Hide leather seat features a mechanism to keep you in the flow of conversation, while a threaded column shaft adjusts the seat height for a customized fit.
