

Outdoor Privacy Screen

76"X47"

If the privacy screen will be used in a strong wind area, we highly recommend you using four Hex-Head Sleeve Anchors to fix the privacy screen on solid ground.

Before assembling, we recommend:

1. Wear Gloves.

2. Don't assemble the privacy screen on a Hard Surface.

3. Ask for a Helping Hand.

4. Use Hex-Head Sleeve Anchors to fix the privacy screen on solid ground if necessary.
