Gloss White Details: The back panel of this all-glass grandfather clock has a gloss white finish, as does the dial. Stainless steel hour markers and hands provide a functional complement, while the red continuous sweep second hand adds vibrant contrast.

LED Lighting: This modern grandfather clock is equipped with LED lighting to illuminate the case. To adjust the settings or turn the light on or off, touch the top of the metal base plate.

Stable on Carpeted Surfaces: This pendulum grandfather clock can be placed on uneven floors and carpets because it has adjustable levelers under each corner.

Quartz Movement: This pendulum grandfather clock has quartz movement and requires one AA and two C batteries.
