Align the slide rail at the bottom of the drawer and ensure it is secure, then push the drawer in firmly to make the slide rails smoothly on the track.

Alignez le rail coulissant au bas du tiroir et assurez-vous qu'il est bien fixé,
puis poussez fermement le tiroir pour que les rails coulissants s'insèrent en douceur sur la piste.

NOTE: Please make sure the bed slats close to the side rail before locking the screws to avoid breakage. This step is required for both the left and right sides. Moreover, please do not lock the screws of the bed slats at the outermost edge to avoid damaging.

Remarque: Assurez-vous Les lattes du lit fermer du rail latéral avant de verrouiller les vis pour éviter la casse. Cette étape est requise pour tous les deux côtés gauche et droit. De plus, ne verrouillez pas les vis des lattes de lit sur le bord le plus extérieur pour éviter d'endommager.
