User Manual

Floor Lamp

Thank you for purchasing our product. Please read the following instructions carefully before assembly. If you have any question, please contact us.

Cautions

1. When opening the package with a sharp tool like a utility knife, be careful not to damage the components inside.
2. Carefully remove all packaging materials and keep them for future use.
3. Keep all hardware parts and packaging out of the reach of small children.
4. Please check whether the packing list is complete. If there are missing or damaged accessories, please contact us.
5. Do not allow children to play with this product.
6. Please make sure that the voltage is 100-120V, which is standard for US. This product can only be used between 100-120V.
7. This lamp contains an LED dimmer and is only compatible with dimmable LED bulbs.

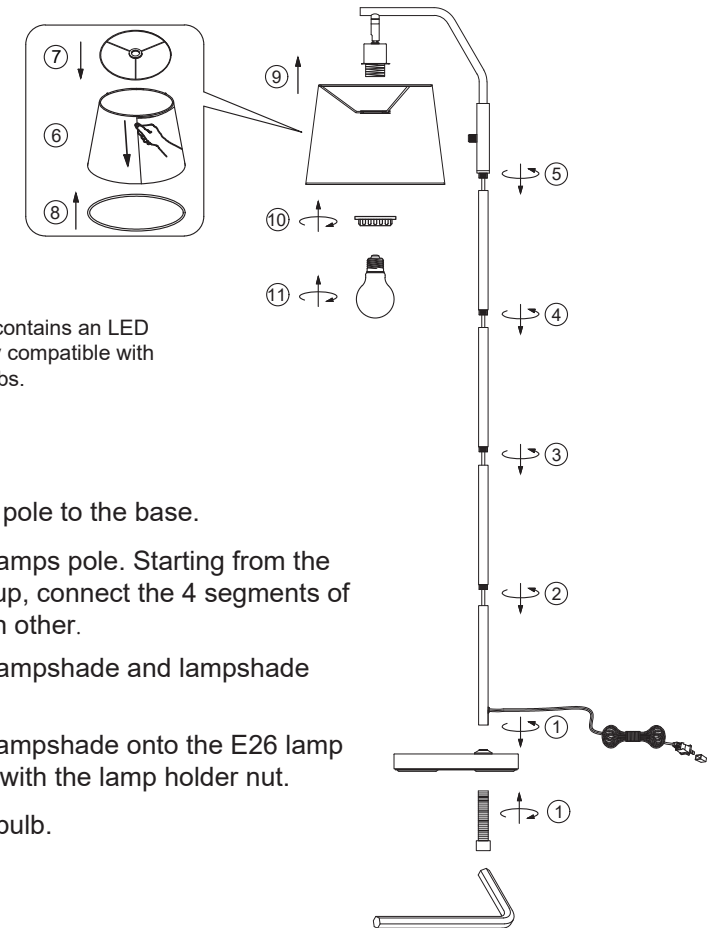

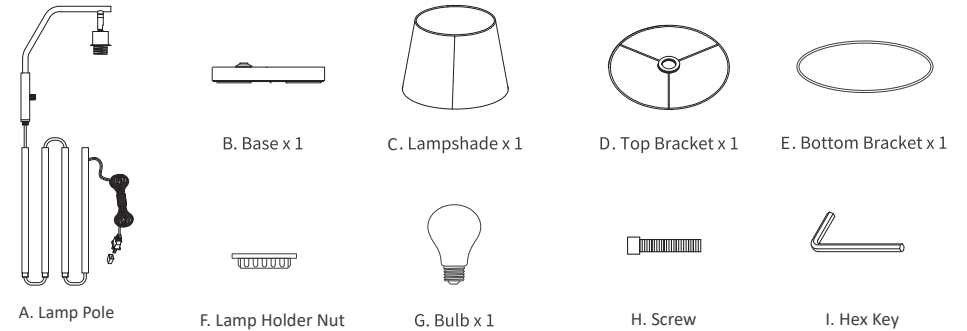

Warranty

Make it cozy, make it home. Which is the goal that we have been pursuing. We'd like to provide the best product and service to you. We provide a 12-month warranty for you (Excludes incorrect installation or other man-made damage). If you have any questions or suggestions, please feel free to contact us.
