Notes

1. Please check the dimensions of the product before ordering to ensure it fits your home.
2. Please note that this product does not contain a light bulb. Please prepare four E26 light sources on your own.
3. Please make sure the power is cut off before installation. To ensure your safety, we recommend that two people install it together. Please install it by someone with an electrical license if necessary. Please wear electric insulation gloves (not included) and avoid scratching the surface of the item and the electric wire when installing.
4. Please use it within the applicable voltage range and clean it regularly. Please cut off the power supply when you clean the item. Please wipe with a soft cotton cloth and do not use household cleaning agents.
5. Please use it in a dry environment. It is not suitable for outdoors and bathrooms.
6. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement and make sure you do not mind before ordering.
