

Assembly Guideline

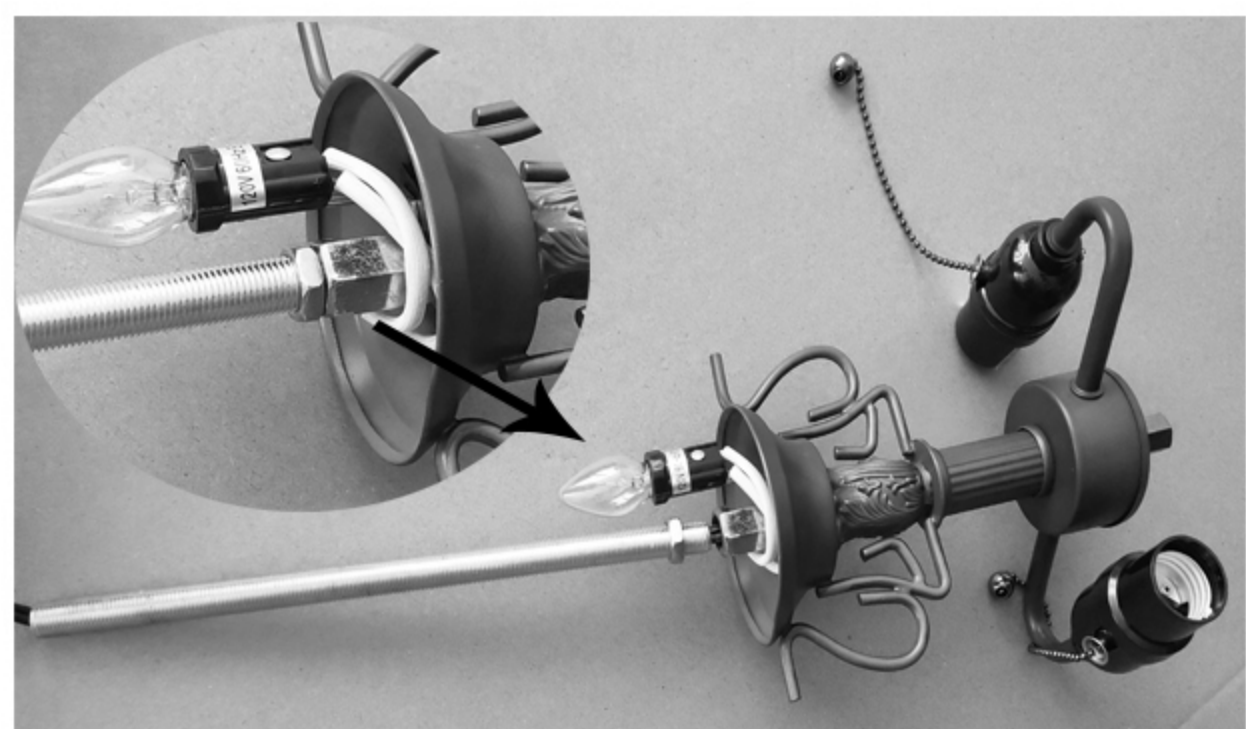

Here are all the parts you will get:

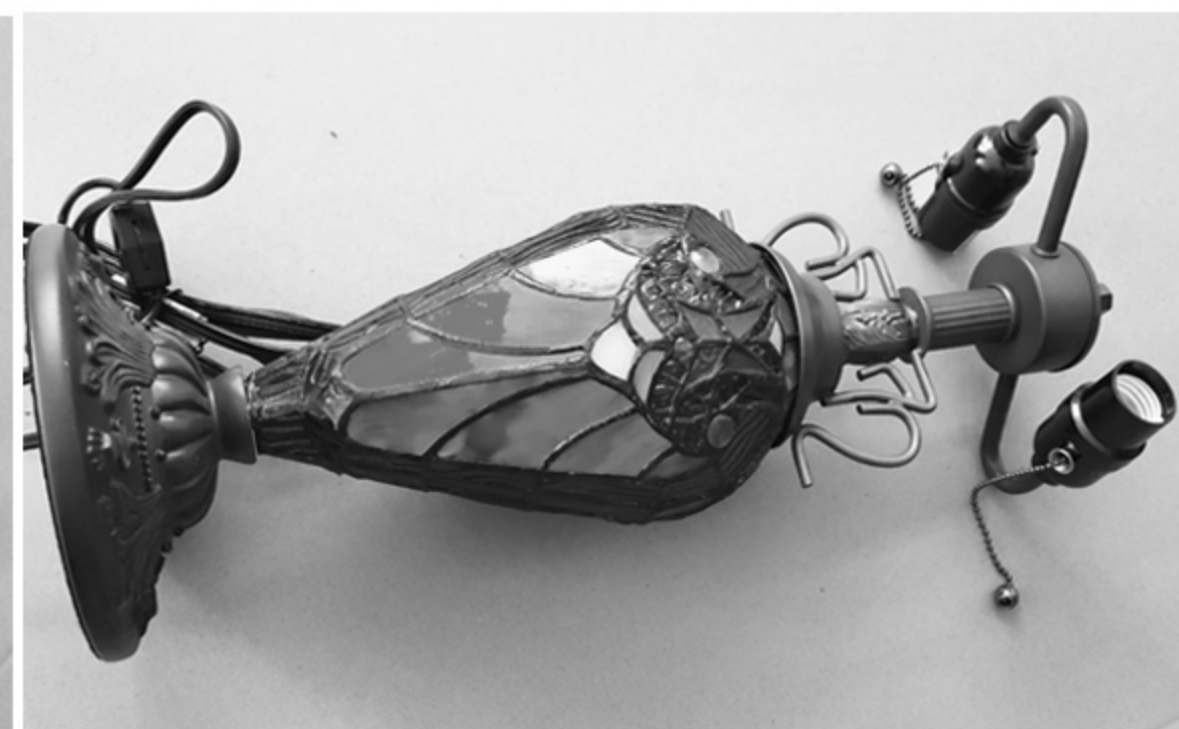

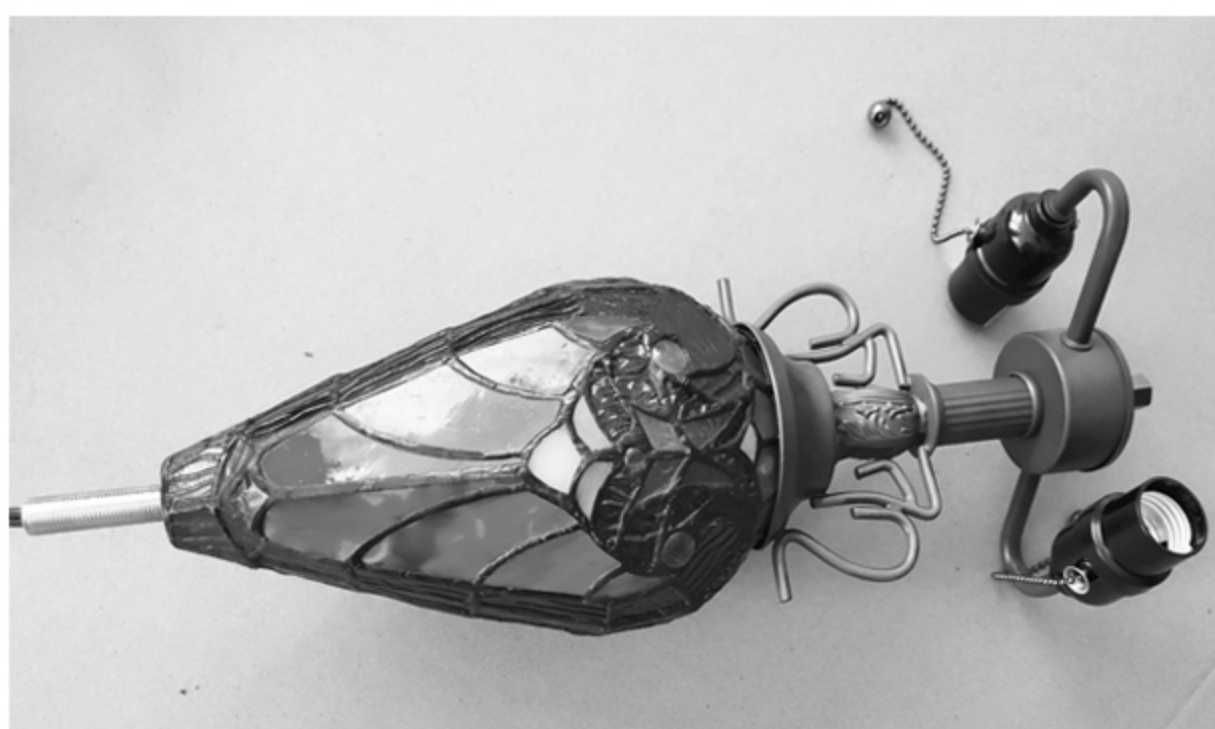

Step 1: Release the metal nut and washer from the bottom base.

Step 2: Screw on the threaded tube to stem.

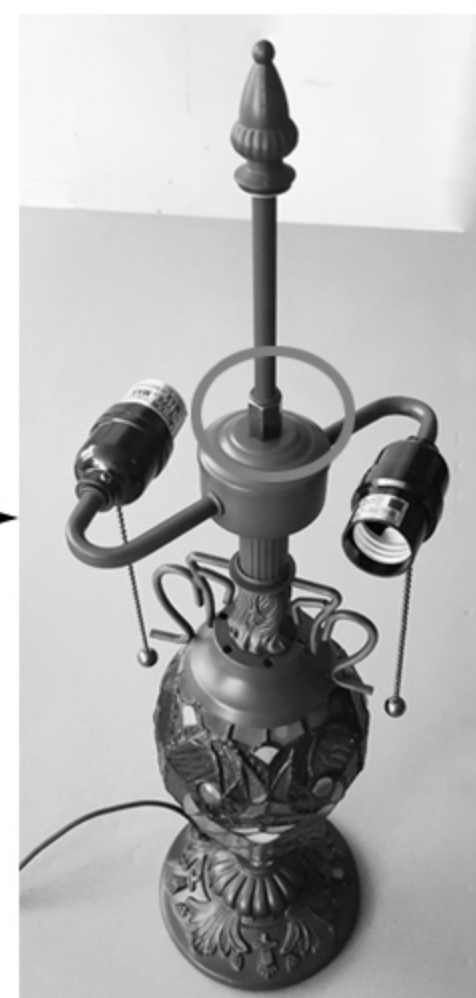

Step 3: Install the base (both stained glass base and bottom base).

Step 4: Screw on the metal washer and nut.

Step 5: Screw on threaded tube.

Step 6: Put on shade and screw on the finial.
Now the lamp is ready.

Caution:

- Do not remove the lamp with power on.
- Stay away from fire, direct sunshine, higher temperature and wetness.
- Never put it in the washing room.
- Do not touch the shade when with the power on for too long to avoid burning your skin.

Notes:

- This stained glass product has been protected with mineral oil on the surface as a part of the finishing process.
- Please use a soft dry cloth to remove any excess oil.
