

Floor Lamp

General Guidelines

- Please pay attention to the warning signs.
- Please read the instructions with caution before operating and keep it properly.
- This summary may not include every detail of all variations and considered steps. Please feel free to contact us if further information and help are needed.

Warning

1. Before assembly, lay out all parts on a clean, flat surface and inspect each part for defects that may have occurred during shipping.
2. Inspect the wire insulation for any cuts, abrasions, or exposed copper that may have occurred during shipping. If there are any defects, DO NOT continue assembly. Please contact our customer service team immediately.
3. Consult a qualified electrician if you have any electrical questions.
4. To reduce the likelihood of tipping over, we recommend placing the lamp behind furniture and keeping children and pets away.
5. Never drape clothes over the lamp.
6. To prevent children from suffocating and choking, keep them away from packing materials.
7. Please keep this manual and pass it along when transferring the product.

The remote control and the remote-controlled light bulb are matched one-to-one

Auto-off after 1 Hour: The bulb flashes once when pressed, indicating that the 1-hour timer mode has been activated. The timer will be canceled automatically if the lamp is turned on or off using the plug or remote control during the countdown.

Brightness: 10%-100%

Color Temperature: 2700-6500K

Memory Function: the floor lamp can remember the mode of the brightness you settled before closing.

If the remote control is unresponsive, please try re-pairing it:
Within 5 seconds of powering on, press any button to pair.
