- * This item should be assembled on a soft surface to prevent scratching the finish during assembly
- * This item may require periodic tightening.
- * If you are having difficulty, our friendly Customer Care team is always here to help.

CARE AND MAINTENANCE

*Always use felt pads under all articles to prevent discoloration or softening of the lacquer. Plastic and rubber bases on items can discolor wood. Wipe up spills immediately and avoid common hazards such as hot dishes, harsh solvents and abrasives. Cleaning should be done with a soft lint free cotton cloth dampened with water or furniture polish. On highly used surfaces we recommend applying a quality paste wax which should be used on a regular basis to provide additional protection from scratches and spills. How often you apply the wax depends on how much wear the furniture receives.
