

# o TSUN Assembly Instruction

---

## Bar Table

Your furniture requires assembly prior to use. It is important that you read the entire assembly instructions to become familiar with the unit before you set up this product.

### Safety Warning and Precautions

**WARNING:** When setting up your furniture, basic precautions should always be followed to reduce risk of personal injury and damage to the product.

Read all instructions before assembly and usage this product.

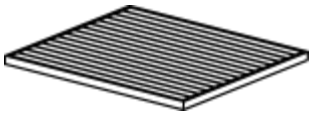

1. Select ideal location. Set out all parts on a clear and level surface prior to assembly. Ideally, the furniture should be set up in the desired location to avoid moving it after assembly.
2. Use caution. During all the processes of assembling, especially when lifting heavy or large parts, pay attention to safety.
3. Tools and Assistance. An adjustable spanner is required for assembly. It is recommended 2 people assist with assembly.
4. Check all parts before assembling, ensure you have all parts detailed in the parts list on Page 2.
5. Refer to assembly diagram. During assembly, refer to the assembly instructions on following pages.
6. Caution. Keep children away from work area during assembly. Do not allow children to handle parts or tools while assembling.

## Bar Table

### Step 1

### Step 2

### Step 3

### Steps:

1. Put Bolts (Part F) through Washer (Part G) and Flat Washer (Part H), then attach the Top Frame (Part C) and Bottom Frame (Part D) to Legs (Part B). Tighten Bolts (Part F) firmly but not completely with the Allen Key (Part I). Repeat on each corner of Top Frame and at each end of Bottom Frame.
2. Place the table top (Part A) on a level surface with bottom upward. Using Bolts (Part E) and Washers (Part G) and (H), attach Legs to Table Top. Repeat at each corner of Table Top A.
3. While upright, check table is level before fully tightening all bolts in steps 1 and 2.

The table is ready to use.

Periodically check and make sure that all bolts are fully tightened.
