

ELITE LS 1

Our Elite LS 1 model of self-contained, portable, hot water, handwashing sink fits perfectly in those tight spots, so your business can stay out of them. Easily cleaned and maintained, point-of-contact handwashing in high-volume, tight spaces has never been so sleek.

Don't let their compact size fool you, as this NSF-certified, out-of-the-box ready sink is made with food-safety-grade stainless steel countertops, cabinets, and a single stainless steel basin fitted with a top-fill, liquid soap dispenser. Keyless locking white/black doors with white/black edging store your quick-connect tanks. Handwashing code compliance beware because this sneakily spacious sink is coming for you.
