

Assembly Instructions for Model HL1233492

Package Contents

Part	Description	Quantity
A	Fixture Body	1 pc.
B	Lampshade	1 pc.
C	Mounting Bracket	1 pc.

STEP 1

Mark the drilling position on ceiling with the help of the Mounting Bracket(C).
Drill holes on the marks and stick the hook-shaped expansion anchors into the holes.
Fix the Mounting Bracket(C) to the hook-shaped expansion anchors with self-tapping screws.

STEP 2

Hold the fixture close to ceiling.
Connect live line to wire color Black/Red from the Fixture.
Connect neutral line to wire color White/Blue from the Fixture.
If there are no color distinctions mentioned above, then:Connect live line to one of the two wires.Connect neutral line to the other wire.

STEP 3

Attach the Fixture Body(A) to the Mounting Bracket(C).

STEP 4

Fix the Lampshade(B).

Your fixture is now assembled and ready to use.
