Ceiling Light Fixture
Model# JK-PL001YE32

PACKAGE CONTENTS

1 x Ceiling Light Fixture

3 x Wire Nuts

3 x Screws

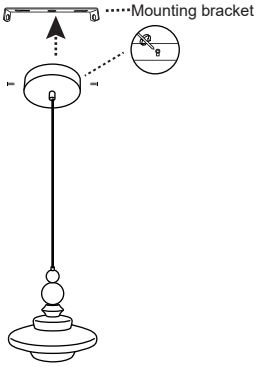

3 x plastic expansion pipes

How to install the Wall Sconces Fixture

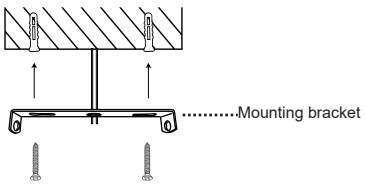

1

Unscrew the screws from the lamp base and remove the mounting bracket.

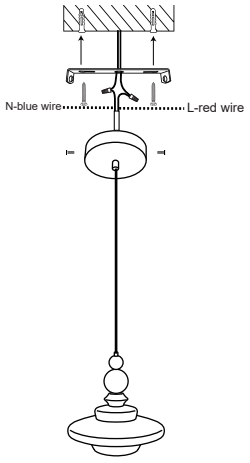

2

Use plastic expansion pipes and screws to secure the bracket to the ceiling.

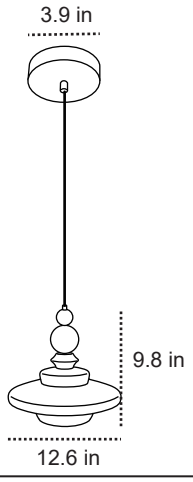

3

Attach the live wire from the house to the red wire (L) from the light fixture, using one of the wire connectors. Then, attach the neutral wire from the house to the Blue wire (N) from the light fixture the same way. Wrap all wire connections with electrical tape for a more secure connection. Carefully tuck all wire connections into the outlet box.Finally, use a tool to reinstall and tighten the screws on the lamp holder to complete the installation.

4

Please note: this product is a light fixture only; bulbs are not included and must be purchased separately before use.
