4T SERIES

12V Tape Light, Pucks and Power Supplies. Low voltage design and the ability to cut to 2" increments makes it ideal for short runs.

6T SERIES

24V dry-rated tape light with customizable color temperature and wattage. Delivers long, continuous runs for a variety of dry locations.

8T SERIES

Commercial-grade, 24V dry-rated tape light with our patented connector system to simplify even the most complex tape light configurations.
