

## NOTICE

\* Please make sure that you have all parts indicated and they are in good condition before you begin assembly of this item. Refer to part list and hardware list below for guidance.

\* This item should be assembled on a soft surface to prevent scratching the finish during assembly.

\* This item may require periodic tightening.

\* If you are having difficulty, our friendly Customer Care team is always here to help.

Please email [customersupport@safavieh.com](mailto:customersupport@safavieh.com)

## PREPARATION

\* Before beginning assembly of product, make sure all parts are present. Compare parts with part contents list and hardware contents list.

\* If any part is missing or damaged, do not attempt to assemble the product.

\* Estimated Assembly Time: 10 minutes.

\* Tools Required for Assembly (included): Allen Key

## CARE AND MAINTENANCE

\* Spot clean using a mild water-free solvent. Only a professional cleaner should undertake a complete overall cleaning.

\* The use of steam or water-based cleaners may cause excessive shrinking or staining.
