to assure full compliance with N.E.C.requirements. If there are any questions, contact a qualified electric contractor.

Caution: It is highly recommended to get an electrician to install this light. Please make sure to turn the electricity off at the main circuit breaker before beginning installation. All glass is fragile. Use care when handling glass component(s) and/or lamp(s).

Lock the crossbar to the junction box of the ceiling by using 2 pcs of 5/32 screws in the accessories bag. Connect the wires. The hot/positive wire (+) has an "L" label on it. The other one is the negative wire (-). And the bare copper is the ground wire. Attach the canopy to the ceiling with screws.
