Eloquent Thoughts1

D2218S44345-3564

Eloquent Thoughts VI is part of a series of six works that hark back to the Abstract Expressionist movement that emerged in the mid-20th century. These works are characterized by bold, gestural marks that express action.

A daring blend of abstract forms and contrasting tones, Eloquent Thoughts 6 features a variety of conceptual marks that give the work a decidedly contemporary feel. Burnt orange is a standout in the color scheme with an undergirding of sky blue, dove grey, and midnight blue. An original addition to the exclusive ART by TA Collection.
