INTRODUCTION

Thank you for purchasing our products. Committed to providing customers with the best quality products and service has always been our lifelong goal. Before using the product, please read this instruction manual carefully to ensure correct use. Keep the instruction manual in a place where the user can find it at any time.

PRECAUTIONS

1. There are many components and accessories in the package. Each component and accessory is labeled with a letter or a number, check carefully before using any of them. Keep them away from children to prevent accidents.
2. Please install the product on a clean and soft underlay (such as carpet or cardboard) to avoid scratching or damaging the surface of the product.
3. The main components of the product is relatively heavy. Please pay attention to safety during installation.
4. The product is not stable during installation. Please do not move it randomly before it is completely installed.
5. If you have any questions during installation, please contact the customer service in time.

***PLEASE BE SURE TO FOLLOW THE INSTALLATION STEPS IN THE MANUAL TO AVOID UNNECESSARY LOSSES CAUSED BY IMPROPER INSTALLATION.**

***IF YOU NEED FURTHER ASSISTANCE, PLEASE CONTACT THE CUSTOMER SERVICE ONLINE.**

The desk will be heavy and difficult to move once assembled.
We recommend assembling it near its intended placement area.

TIPS

1. When installing the product, use a soft surface (such as carpet or cardboard) to avoid scratching or damaging the surface of the product.
2. Please try to use a manual screwdriver instead of electric screw driver. A manual screwdriver can be used to better control the tightness of the screws.
3. Do not use any glue.
4. The product is unstable before it is assembled. Please pay attention to the product installation sequence, and align all screws and screw holes before tightening.
5. The structure of this product can not meet the requirements of children climbing.

Installation method of three
in one rod and buckle

Adjust the position of the hanging rod to accommodate different size files.

You can choose whether or not to install Panel 21, depending on your needs. If you plan to place the computer tower in this location, there is no need to install panel 21. Besides, panel 21 offers three installation heights to choose from, which can be adjusted to suit your storage needs.

★Attention: Align the slide runners on the drawer with the unit and push it carefully inside until it stops.

★If the drawer does not go in smoothly, please take it out and repeat the step.
