# INTRODUCTION

Thank you for purchasing patio 3 tiers umbrella! We hope you will find joy in our product for many years to come.

To ensure your personal safety during installation and to get the most out of your investment, please read this entire manual before beginning the installation process. If you feel that this process is too difficult to do on your own, we advise that you seek assistance from a local building or home improvement contractor.

We believe that installation can be a simple, streamlined process if you follow the instructions in this manual. Please contact our customer support line for help any step of the way. If you need assistance with assembly, have missing or defective parts, or any other issues, please email us

## ⚠️ PREPARATION

Before beginning assembly of product, make sure all parts are present. Compare parts with package contents list and hardware contents list. If any part is missing or damaged, do not attempt to assemble the product.

## ⚠️ CAUTION:

The umbrella should be lowered and secured in windy conditions or when not in use.

Do not leave open flame or heat sources unattended underneath the umbrella.

Do not allow children to remain unattended near the cords that raise the umbrella.

## ⚠️ CARE AND MAINTENANCE:

- When not in use, close and cover umbrella with a protective cover.
- Allow a wet canopy to dry opened up.
- If necessary, clean the fabric with lukewarm water, mild detergent, and a sponge.
- Wipe sliding marks on the aluminum poles with a damp cloth.

Winter Storage:

- Store in a dry place.
- Any visible defects must be repaired by a professional.

After the Winter:

- Areas subject to turning and sliding can be treated with a non-staining lubricant spray (silicone-based).
- Check the condition and function of the umbrella. Any defects must be repaired by a professional.
