

WHAT SIZE ROCK DO I NEED?

1. Measure the size of the object you want to cover
2. Compare the object size with the reference chart below
3. Start with the Object Height column, and determine the maximum width and depth your object can be
4. Select the rock size that best hides your object

*Measurements in Inches	USABLE ROCK DIMENSIONS			
	Inner Rock Height	Length (Max):	Width (Max):	Diameter (Max):
	0	24	12	12
	1	24	13	13
	2	24	9	9
	3	24	9	9
