DELAWARE CHANDELIER

DLC24

H: 29 IN, Dia: 45.50 IN

English Bronze

This mid-century inspired design projects light via bullhorn-shaped shades. A fresh twist on one of our most popular designs, a linear armature of chattered English bronze steel holds 24 matte opal glass shades constructed with an etching technique for a flattering, cloudlike effect. Articulated and adjustable from every angle, this branched style can deliver illumination in any direction you choose.

APPEARANCE

Material	Steel, Glass
